# ROYAL BAKING POWDER

Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and it will not be sold in competition with the multitude of low test, short weight alum or phosphate powders. Sold only in cans. ROYAL BAKING POWDER CO., 100 Wall St., N. Y.

## The Father Mathew Remedy

The Antidote to Alcohol found at Last!  
A NEW DEPARTURE

### The Father Mathew Remedy

Is a certain and speedy cure for intemperance and destroys all appetite for alcoholic liquor. The day after a debauch, or any intemperance indulgence, a single teaspoonful will remove all mental and physical depression.

It also cures every kind of FEVER, DYSPEPSIA, and TORPIDITY OF THE LIVER when they arise from other causes than intemperance. It is the most powerful and wholesome tonic ever used.

When the disease is strong one bottle is enough; but the worst case of debility tremens do not require more than two bottles for a radical cure.

If you cannot get from your druggist the pamphlet on Alcohol its effect on the Human Body and intemperance as a disease, it will be sent free on writing to:

CURED AFTER THIRTY-TWO YEARS.

MILWAUKEE, May 23, 1887.  
Rev. FATHER KOENIG—I was personally acquainted with a man who (in the year 1873, then forty-four years of age) commenced to take your medicine for epilepsy, which he had had for thirty-two years. The attacks which he had formerly every four weeks diminished as soon as he took your medicine and disappeared entirely since August, 1880. The man is so healthy now that he can attend to his business without fear. By this wonderful cure a large family has been made happy, and of this he is convinced and gladly testifies.

Rev. FATHER AEGIDIUS,

Our Pamphlet for sufferers of nervous diseases will be sent free to any address, and poor patients can also obtain this medicine free of charge from us.

This remedy has been prepared by the Reverend Father Koenig, of Fort Wayne, Ind., for the past ten years, and is now prepared under his direction by the
