

The Oxford Bible FOR TEACHERS.

"These books are not only beautiful, they are curiosities, and but a few years ago could not have been produced at any price. They are all printed upon very thin India paper, opaque, very legible, and very light." —*Bookseller.*

The Right Rev. George Hutchison, D.D., Moderator of the General Assembly of the Church of Scotland: "Superior to any, both in point of beauty and usefulness."

The Rev. Horatius Bonar, D.D.: "A noble edition, remarkably full and accurate, giving a wonderful amount of information under the various heads."

The Rev. Donald Macleod, D.D.: "The Helps form in my opinion quite an unrivalled reference book. I can honestly say that I have been surprised at the amount and accuracy of the information which is here so admirably arranged."

The Rev. Principal Cunningham, D.D., LL.D.: "I have never seen anything more perfect. The Helps contain a vast amount of useful and interesting knowledge."

The Rev. Joseph Parker, D.D., of the City Temple: **THE OXFORD BIBLE FOR TEACHERS** is the most superb, complete and useful Edition of the Holy Scriptures in the English language I have ever seen."

The Rev. Principal Cave: "I find it increasingly an indispensable companion."

The Rev. C. H. Spurgeon: "THE VERY BEST. I have carefully examined the volume and can unreservedly recommend it."

The Rev. Canon Liddon: "It would have been difficult to arrange so much useful matter in a more useful way, or with more accuracy, whether of detail or of general statement."
