

Life!

In rosy June,—

“Pearl of the year,”—

while Hymen's torch burns merrily, be mindful of the truthful saying—“If the marriage certificate were printed on the back of a North American Life insurance policy it would be said of more matches that they were made in Heaven.”

The best of all that's good in life insurance, which is absolutely the only kind of property you can be sure of leaving to your loved ones under the law as “preferred beneficiaries,” is given by the North American Life.

Information helpful in choosing a plan to meet your needs is cheerfully offered by us or our agents—who are almost everywhere.

“The examination shows that the Company's last annual statement was substantially correct. The variations in certain of the figures as between those contained in the report and those shown by the examination are so trivial as not to warrant a reference to these differences in this report.”

**Association Solvent and Every Honest
Death Claim Paid in Full.**

“The result of the examination shows that the Association is solvent and pays in full every death claim that is a proper charge upon the mortuary funds contributed by the members, and that, in every case of settlement or compromise, the character of the claim has been such as to make it the duty of the management to protect the members against unjust demands.”
