The huge drastic, griping, sickening pills, constructed of crude, coarse and bulky ingredients, are fast being superceded by Dr. Pierce's Pleasant Purgative Pellets, or Sugar-coated. Concentrated Root and Herbal Juice, Anti-Bilious Granules,—the "Little Giant" Cathartic or Muttum in Parvo Ppysic. Modern Chemical Science enables Dr. Pierce to extract from the juices of the most valuable roots and herbs their active medicinal principles, which, when worked into little Pellets or Granules, scarcely larger than mustard seed, renders each little Pellet as active and powerful as a large pill, while they are much more palatable and pleasant in effect.

DR. IRA A. THAYER, of Baconsburg, Ohio, writes: "I regard your Peliets as the best remedy for the conditions for which you prescribe them of anything I have ever used, so mild and certain in effect, and leaving the bowels in an ex-cellent condition. It seems to me they must take the place of all other cathartic pills and

> BRONCHITIS AND CONSUMPTION LETTER FROM DR. CRANE.

Halifax, N. S.

JAMES I. FELLOWS, ESQ. BEAR SIR: From a general knowledge of the prominent ingredients of your Compound Syrup of Hypophosphites, I formed such a favourable opinion as to be induced to recommend it to my patients as preferable, and more convenient than my own prescriptions of the Hypophosphites. For several years I have continued to prescripe it, in many cases with very beneficial results. Since, upon solicitation, you kindly afforded me a more intimate knowledge of the composition of your Compound Syrup of Hypophosphites, I have used it freely in my practice, both in diseases of the Chest, Consumption and Bronchitle, etc., and in infautile diseases of the prima via, or Stomach and Bowels, with eminent success, considering it superior to any similar preparation yet offered to to the public. Thanking you for your kind information.

I remain, yours truly, CHANDLER CRANE, M. D.

Epp's Cocoa.—Grateful and Comporting.—" By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazetts.
