The British Northwestern Fire Insurance Company, of Winnipeg, has been registered in Alberta.

Mr. S. C. Wilson and his mother-in-law, Mrs. Georgina Girvin, have been arrested on a charge of arson in connection with the burning of the building occupied by the Lacombe Produce Company, at Lacombe, early in this month. They were apprehended at Calgary, and taken to Edmonton where they were released on bail, which was believed to be for $20,000 each. They were remanded for a week, and the trial will be held at Lacombe.

In an interview with Hon. J. S. Duff, Minister of Agriculture, regarding fire protection of the Ontario Agricultural College, Guelph, a deputation was informed that the minister was in accord with the procuring of automobile apparatus for the fire brigade. He asked the city to send a statement to him of the cost of maintenance of the present fire brigade, and also the probable cost of the erection of a new fire hall with automobile apparatus, and also to let him know about what proportion of the cost the city would expect from the Government. They were quite prepared to work in harmony with the city regarding fire protection of the college. The question of fire protection at the Reformatory was discussed, and the Provincial Secretary was also pleased with the idea of the city securing the motor apparatus. The Canadian Fire Underwriters informed the deputation that the purchase of automobile fire apparatus might reduce the present insurance rates.

All stock in the Little Nipissing Mine, whether subscribed properly or otherwise, will be made valid by the Ontario Legislature, on the understanding that $200,000 worth of stock be kept in the treasury and that all stockholders be given ninety days in which to return their stock to Toronto in order that it may be properly entered in the books of the company. The government reserves the right to extend the ninety-day limit in case all the stock has not been sent in in that time.
