Our Service to Investors

IDLE MONEY

IN these prosperous days the earning power of money is great. Industrial and Municipal expansion is calling for huge appropriations, offering investors high returns on fully secured capital.

Those whose savings are lying by, stagnating at merely nominal interest, have now an opportunity to place their funds—"Idle Money"—to great advantage, assured of considerable profits practically without risk.

We have listed a number of these sound investments in which we strongly advise the placing of "Idle Money." A letter marked "Service to Investors" will put you in possession of facts concerning these certain sources of income.
