

The Coolest Yet!

No argument needed why one should seek the coolest nooks and be dressed in the coolest raiment, with the mercury flirting around the nineties the question is what and where and get it quick. In gentlemen's summer wear there's nothing so cool as a flannel suit made in skeleton style, approaching the negligee in appearance, but dressy enough for any man for business.

HENRY A. TAYLOR,

the Rossin Block, is showing some nice designs in stripe and small check flannel suits. They're an economical outfit because the pains he takes to make them good and the quality of goods that go into their make-up makes them almost everlasting.

A timely hint with the flannel suit is a fancy linen vest, made in the double-breasted style.

Mercantile Summary.

THE death is announced on Saturday last of William Murray, long of the firm T. & W. Murray, of Pembroke, and formerly member of the Dominion Parliament.

IN Valleyfield, Que., the new buildings being erected by the Montreal Cotton Company are making progress. The brick smoke-stack is up 140 feet and is to be carried 25 feet higher.

AMONG government expenditures in the lower provinces voted last session is some \$18,000 for a building—customs and post office presumably—and a smaller sum for a similar building at Liverpool, N.S.

It is said that Moir, Son & Co., of Halifax, have an order for over 600 barrels of pilot biscuit for Cuba or Porto Rico, and that the firm ordering the biscuit have also ordered a large variety of other provisions.

THE Boston Journal of Commerce is informed that the Toronto Carpet Manufacturing Co., Toronto, has placed an order for looms with the Crompton & Knowles Loom Works, Worcester, Mass.

LIVE lobsters, to the value of \$220,602 (21,931 packages), were shipped from the port of Yarmouth, Nova Scotia, in six months of this year. The quantity in the like period of 1897 was 22,838 packages, valued at \$236,685.

A FARMER, of New Brunswick, also interested in a small store business, and a lumber jobber, in a small way, has assigned to the sheriff for the general benefit. His name is G. H. Clark, and he hails from Forest City, in York County.

Z. MORRISSETTE, of Quebec, a dealer in teas, crockery, etc., has got into trouble through the lending of his name on accommodation paper to the amount of some \$2,800, and is offering his creditors 50 per cent. He owes in all just about \$5,000.—A demand of assignment has been made upon G. N. Elliott, a commission merchant of the same city, whose liabilities are reported small.

ST. THOMAS, too, it appears, wants to have a cheap and independent telephone service. And accordingly a number of gentlemen of that city have joined Messrs. Walters and Evans, of Detroit, in forming the People's Telephone Co., of St. Thomas, Limited, capital \$60,000. The combination resembles that made in London and mentioned in our last issue. Presumably the different companies will be mutually sustaining. A. E. Wallace, Angus McCrimmon, Dr. McLarty and Dr. Duncombe are among the St. Thomas parties.

A NEWFOUNDLAND merchant, G. S. Milligan, of St. John's, long engaged in the stationery and confectionery business, and at one time considered in very fair circumstances, is reported involved, and a declaration of insolvency has been applied for. Mr. M. made heavy losses by the financial crisis and bank suspensions of three years ago, and it appears that his business has continued to decline since. —Anderson McKeen, a tanner of the same city, is offering a compromise of 45 cents in the dollar, liabilities not stated.
