

The other day, at a concert, a gentleman having put his hat upon a chair to keep a place, returned to claim it after a short absence. The hat was found sure enough where it had been left, only there was a stout lady sitting on it. "Madam," said he, "you are sitting on my hat." The lady blushed a little, turned around, and said, in the blandest manner, "Oh, I beg pardon! I am sure I thought it was my husband's."

A noted horse-trader in Whitechurch was awakened one night lately by a violent thunderstorm. Being somewhat timid, he awoke his wife with, Wife! wife! do you suppose the Day of Judgment has come? Shut up, you fool! was the affectionate reply, how can the Day of Judgment come in the night?

The latest from Scotland.—Balio Sawmun—Of course I want Wallie to have a grand eddycation; in fac' I'm thinkin' o' sendin' him to the seminary at Rothsay. Chancellor Troot—To the cemetery? Ah! ye'll be wantin' him to learn dead languages, eh? B.S.—(who does not see it.) Of course, of course; deed and leevin'.

"Now, Willie dear," says Fauny, "do have a little courage; when I have a powder to take, I don't like it any more than you do; but I make up my mind that I will take it, and I do." "And when I have a powder to take," replied Willie, "I make up my mind that I won't take it and I don't."

"Didn't you tell me you could hold the plough?" said a farmer to an Irishman he had taken on trial. "Be aisy, now," said Pat. "How the devil could I hold it an' two horses pullin' it away? Jist stop the crathurs, and I'll hold it for yez."

A teacher questioning little boys about the graduation in the scale of being, asked: "What comes next to man?" And here a little shaver who was evidently smarting under a defeat of a previous question, immediately distanced all competitors by promptly shouting: "His undershirt, ma'am!"

Charges brought (without the least regard to mercy or orthography) by an Illinois School Committee against a school teacher: 1. Immortality; 2. Parshality; 3. Keaping disorderly school; 4. Carrin unlaughffie weepings. The great controversies between Webster and Worcester have never reached these regions. They are a law unto themselves.

*Cancer's Cure! by a New, but Certain, Speedy, and Painless Process, and without the Use of the Knife.*

The Cure will be guaranteed, and, as a proof of this, no pay is required until the Cure is complete. The moment a Cancer is discovered, it should be cured, as it will cost less and is more speedily cured than when of longer standing, and there is nothing to gain, and everything to lose, by delay. What now seems a harmless lump in the breast, neck, eyelid or elsewhere, or small wart or sore on the lip, may, in a few short months, become a hideous, disgusting, destroying mass of disease. If required, references can be given to parties who have been cured many years since, and who are now sound and healthy. All communications promptly answered. No money required in advance, and none until the Cure is complete. 52-1h

**JOHN JACKSON & CO.,**  
(Successors to McLeod, Wood & Co.,)  
**ORGAN & MELODEON**  
MANUFACTURERS.

Having now been established in the manufacture of Musical Instruments for several years, we must acknowledge our appreciation of the kindness and justice of the people which has tended to prosper and increase our business and reputation far above our expectation. We supply Organs and Melodeons made and finished in the most complete and perfect manner, using the best materials possible to be obtained, employing only first-class workmen, and having each department superintended by men of experience.

Our trade mark, "Crenona and Celeste Organ," is placed upon the name-board or key slip of all Organs manufactured by us, and having been registered for our sole use, all parties are cautioned not to infringe on the said trade mark.

We claim especial attention to our Vox Celeste Organs, No. 27 and No. 34. The Vox Celeste Reeds were first introduced in Canada by us in 1869, in a G reed organ, which took the first prize at the Provincial Fair held that year in London. We have since applied it successfully to our single and double reed organs, making our "Celeste Organs" the most popular instrument now before the Canadian public.

We manufacture the most popular styles, and introduce all the latest improvements.  
ALL INSTRUMENTS FULLY WARRANTED FOR FIVE YEARS.

At the Provincial Exhibition, Hamilton, and Central Exhibition, Guelph.  
This grand success, in addition to last year's record of a Silver Medal, 3 Diplomas, and 12 First Prizes, prove that our Instruments in the opinion of competent judges are incomparably superior to all others.  
Sole Proprietors of the ORGANETTE, containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers, from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.  
Every instrument fully warranted for five years. Send for catalogue containing fifty different styles of instruments.
