nce secured is of priceless value to a store. It is the mainspring of success, and attracts a patronage (not spasmodic) but steady and continuous. We think we have won the confidence and favor of the people of Winnipeg in our effort to supply them with judiciously selected merchandise, desirable and reliable in character, which we always sell at prices less than are often quoted on goods of questionable age and style.

When we think a reduction of prices necessary to move certain merchandise quickly, we take the loss cheerfully and consider the advertising gained through the low prices

We have made some of these reductions in the differdepartments and will continue it for two weeks only. It will be your loss if you do not avail yourself of Golden Opportunity.

Our stock is full of noveities for the holidays. Another lot of silks for evening wear just in, and at rock bottom prices.

AMAGAUDUS POND, N.S., Jan. 27, '92, W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root I-illa." Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much or my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Fills.

Yours, &c.,
