

Renting, Buying and Selling of Buildings
and Other Fixed Assets

Estimates : No separate data are available.

44 Repair, Renovation and Related Construction
Services, Buildings and Other Fixed Assets

<u>Estimates (1977):</u> (\$ millions)	Payments Receipts	33.0 no separate data
---	----------------------	--------------------------

Comments : This estimate is based on U.S. data. Payments to other countries and all receipts by Canadian companies are a component of "consulting and other professional services" as reported on the quadrennial Balance of Payments survey of "Business and Miscellaneous Services and Charges" (BP-215).

U.S. and U.K. Data :
See the notes to category 41.

45 Management and Maintenance Services,
Buildings and Other Fixed Assets

Estimates : No separate data. Likely negligible.

49 Other Services Related to Buildings
and Other Fixed Assets

Estimates : No separate data, except for canal fees (1977 payments to the U.S. were \$8.3 million and total receipts were \$11.1 million).

Comments : The major components of this classification category would be canal fees, port fees, airport landing fees, etc. The latter two are included as components of services incidental to transportation, classification 69.
