Tel: 416-293-8200
Fax: 416-293-3752
Export Contact: Mr. Greg W. Geen, President

Harry Geen Associates Limited is well established manufacturer of Speedsplint Multi Purpose Splint and Speedsplint Femoral Traction Kits. Both Speedsplint Products are widely used in Canada and have an international reputation as fast and simple, temporary immobilization.

Harry Geen Associates Limited is interested in establishing additional international distribution networks in the United States, Western Europe, and the Far East. Speedsplint was the product of choice for the Allied Forces during the conflict in the Persian Gulf, and thousands of units were shipped to the Middle East showcasing the firm's production capacity and export expertise.
