

GUIDE TO THE USERS

This index is a subject-based and cross-referenced index which provides subject analysis as well as corresponding entries under the names of individual Members of Parliament. Each participating Member and witness has a global entry, based on the order of reference that covers all pages where he/she spoke.

Knowles, Hon. Stanley (NDP—Winnipeg North Centre)
Regional Economic Expansion Department estimates,
1984-1985, mime. 159, 1-2, 19

Testimony and debate are analysed for subject content and the entries are arranged alphabetically.

Member: Knowles
subject entry: Steel industry, 159

Main subject: Steel industry
sub-heading: Export, 159

Included in the index are several headings that may be particularly useful: a list under Witnesses shows all appearances by organizations before the Committee; the heading Order of Reference lists all matters studied by the committee; the section Procedure records all items of a procedural nature including those listed in the Minutes.

The index is extensively cross-referenced to account for organization of subject detail and varying terminology. Cross-references to a first sub-heading are denoted by a long dash "—".
