PROCEEDINGS ON ADJOURNMENT MOTION

SUBJECT MATTER OF QUESTIONS TO BE DEBATED

Mr. Speaker: Before proceeding with private members' business it is my duty, pursuant to standing order 40, to inform the house that the questions to be raised tonight at the time of adjournment are as follows: The hon. member for Moose Jaw (Mr. Skoberg)—Vocational Training—opportunities for unemployed to improve technical skills; the hon. member for Hillsborough (Mr. Macquarrie)—External Affairs—satellites—exchange of letters between France and Quebec; the hon. member for Nickel Belt (Mr. Serre)—Education—recommendations of the Franco-Ontarian committee on cultural life.

It being five o'clock the house will now proceed to the consideration of private members' business as listed on today's order paper, namely notices of motions, public bills.

NOTICES OF MOTIONS

VETERANS AFFAIRS

SUGGESTED MEDICAL EXAMINATION OF FORMER PRISONERS OF WAR

Mr. Jack McIntosh (Swift Current-Maple Creek) moved:

That in the opinion of this House, the government should give consideration to the immediate organization of a program of medical examination of all members of the Canadian Active Service Forces who were prisoners of war in World War II, who have not been medically examined within the past five years either by the active treatment services of the Department of Veterans Affairs or on its behalf or by the Canadian Pension Commission to ascertain the effects of privation, malnutrition, injury or ill treatment on such personnel even before complaint of illness, if any, so as to forestall the onslaught of many disabilities and to prevent much later suffering and expense.

He said: I might inform the house, Mr. Speaker, that I was prompted to put this motion on the order paper after consultation with many of my colleagues in the Conservative Party, particularly those in our veterans affairs caucus committee. I am aware there have been previous representations to the Minister of Veterans Affairs (Mr. Dubé) on this subject, not only by veterans organizations and individual Members of Parliament
