**PETITIONS**

## NORTH AMERICAN FREE TRADE AGREEMENT

**Mr. Nelson A. Riis (Kamloops):** Mr. Speaker, it is an honour to present a petition on behalf of a number of residents of British Columbia who are very concerned that it appears the government is turning a blind eye and a deaf ear to the call to exempt water in the North American free trade agreement.

They put their names on this petition asking the government to state categorically that water is an exempt category, as has been done for unprocessed fish on the east coast of Canada and raw logs.

## CANADA POST

**Hon. Warren Allmand (Notre-Dame-de-Grâce):** Mr. Speaker, I have here five petitions containing the signatures of over 1,000 persons from Ville St-Pierre in my constituency.

For many years the people of Ville St-Pierre had full postal service but during the last year it was taken away from them. In this respect they say they are being unfairly penalized in that they are not getting the equivalent postal service as neighbouring municipalities.

In this petition the people of Ville St-Pierre ask Parliament to require Canada Post to provide, without delay, a full service postal branch in Ville St-Pierre.

## REQUEST FOR ELIMINATION OF VIOLENCE IN OUR SOCIETY

**Mr. Guy Saint-Julien (Abitibi):** Mr. Speaker, I would like to table a petition from people in Val-d'Or, Dubuisson, Val-Senneville and Senneterre in Abitibi who say that violent movies on television are dangerous and therefore unacceptable, because they incite more violence.

The petitioners say that all toys which incite violent games are unacceptable and should not be made. They point out that freedom of the press in reporting acts of violence should be limited and that information on violent acts which is repeated too often on all television networks and on radio can incite others to commit similar acts of violence. Therefore the petitioners humbly ask Parliament to legislate on the above-mentioned points to eliminate violence in our society, in order to better protect our children and to give all our fellow citizens a better quality of life.

## SEX OFFENDERS

**Mr. Alex Kindy (Calgary Northeast):** I have another petition, Mr. Speaker, which I will read. It states: We the undersigned call upon Parliament to stop the special treatment of convicted sex offenders and house them in with the general prison population. It is signed by thousands of people.
