The Principal,  
McGill University,  
Montreal.

Dear Mr. Principal,

Thank you for your kind letter which is much appreciated by the members of the Orchestra and by myself.

I can assure you that it was a great pleasure for us to take a humble part in the proceedings at Convocation and we hope that if we can be of any use in any way in the future you will call on us.

Yours faithfully,

*R. de St. Jacques*
