Public Reformation belongs to our Governors;  
 Private, to every Individual in the Kingdom:  
 And let it be always remembred, that among  
 the various Blessings which are promised to the  
 virtuous Person, *this* also is particularly men-  
 tioned, that, "*He shall see Jerusalem in Pro-  
 sperity all his Life long.*" Thus will the best  
 Man, be, in Fact, the best Citizen; and the  
 sincerest Observer of divine and human Laws,  
 will approve himself the truest Friend to the  
 Peace and Happiness of his Country.
