JUNIOR MEDS REACH WOODBINES WILL **MULOCK SEMI-FINAL**

Trounced Junior School in Organize for Season-Lake Postponed Playoff—Play Trinity Friday.

Junior Meds defeated Junior School at Varsity Stadium yesterday afternoon in the play-off for the championship of group B, by the score of 7 to 1. School were outclassed and the last year's champions will not even get a chance at the semi-finals this year. Meds will play Trinity in the semi-final on Friday afternoon at 3 o'clock. The Painkillers were easily the best team, as the score shows, and simply walked thru their lighter opponents.

It was only delaying the real final when the referee stopped that other battle in the last quarter. The Science boys hoped to be stronger in this struggle, but the Medicos did not leave them an opening and won hands down. If Junior Meds beat Trinity then they will meet Senior Meds.

ROBBIE TO LEAD DODGERS.

NEW YORK, Nov. 18.—Wilbert Robinson was today named by President Charles H. Ebbetts as the new manager of the Brooklyn Dodgers, to succeed "Wild Bill" Dablen. Robinson for several years has assisted McGraw in managing the Giants, his specialty being the coaching of young pitchers. He is credited with the development of Marquard. Tesreau and Demaree. Robinson played with McGraw, Jennings, Keeler and Joekley on the famous champion Baltimore Orioles of twenty years ago.

The announcement by Ebbetts comes as a surprise, as Captain Jake Daubert of the Brooklyns was supposed to have been slated for the job. The unconditional release of Dahlen was announced yesterday.

Many of the hockey teams of western Ontario are working out but not on ice, being compelled only to condition themselves getting into physical condition for the real practice on the dee when it arrives in the natural way.

At a meeting of hockey fans last night Preston decided to enter two teams, intermediate and junior, in the O.H.A. this season. The officers were elected, Irvin Bernhardt being appointed manager of the intermediate team. W. Dennas will look after the juniors.

It has been learned on good authority that Rocket Power, who is supposed to play for the Ontarios, despite all reports to the contrary, will not play hockey during the coming winter under any consideration. Rocket, who is managing a mill back in the bush, north of Quebec, for a big lumber concern, declares that he is out of the game for keeps, and will not be tempted to figure in the N.H.A. or any other big league by any inducements which the magnates may offer him.

K.C.I. of Kingston will again be represented in the Junior O.H.A, this winter.
