WELLAND CANAL.
Notice to Bridge-Builders.

SEALED TENDERS addressed to the undersigned (Secretary of Railways and Canals) and endorsed "Tender for Bridges, Welland Canal," will be received at this office until the arrival of the Western mails on TUESDAY, THE 15th DAY OF JUNE next, for the construction of swing and stationary bridges at various places on the line of the Welland Canal. Those for highways are to be a combination of iron and wood, and those for railway purposes are to be of iron.

Plans, specifications and general conditions can be seen at this office on and after MONDAY, THE 21st DAY OF MAY next, where Forms of Tender can also be obtained.

Parties tendering are expected to have a practical knowledge of works of this class and are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms—except there are attached the actual signatures, the nature of the occupation, and residence of each member of the firm; and further an accepted bank cheque for a sum equal to \$250 for each bridge, for which an offer is made, must accompany each Tender, which sum shall be forfeited if the party tendering declines entering into contract for the work at the rates and on the terms stated in the offer submitted.

Two cheques thus sent in will be returned to the respective parties whose tenders are not accepted. For the due fulfilment of the contract the party or parties whose tender it is proposed to accept will be notified that their tender is accepted subject to a deposit of five per cent. of the bulk sum of the contract—of which the sum sent in with the tender will be considered a part—to be deposited to the credit of the Receiver General within eight days after the date of the notice.

Ninety per cent. only of the progress estimates will be paid in till the completion of the work.

This Department does not, however, bind itself to accept the lowest or any tender.

By Order,

F. BRAUN,
Secretary.
