son's City Sale

Store Remains Closed on

This is not a picture of New York's Water-front--- It's a glimpse of Toronto on its Eighty-first Birthday!

On other Simpson page you will see what looks like a print of a country village. It is a picture of the Simpson Block thirty years ago. Look upon that picture, and then at the tine structure of to-day! That is growing "some," both for a city and for a store.

Toronto's citizens enjoy many advantages and not the least of them is living near such a store as Simpson's. THE CITY SALE is a practical demonstration of the advantages enjoyed by citizens who are also Simpson customers.

The Sale begins at 8.30 a.m. Tuesday, and even on these two pages we cannot tell you of all the good things. But there's enough told here to make you see the advantages of paying the store an early visit.
