Speculation in These Relegated to Background in Wall Street.

EXCHANGE EASIER

Marked Heaviness in American Securities Reported From London.

followed by another setback. Later the list settled into a state of apathy, with a renewal of professional activity and manipulation in the final hour.

a renewal of professional activity and manipulation in the final hour.

Notable gains were confined to the specialties, but even there changes were limited to a point or thereabouts. Exceptions were general, Motors, which rose things to 188. In the final dealings. Crucible Steel gained 5 to 88½, only to close at 84½. Bethelnem Steel rose 4 to 291, relinquishing a pdint at close. Total sales of stock amounted to 390,000 shares.

Sales of bonds for foreign account, at least they were so regarded because of the frequency of "future" offerings, were larger and broader than for months past, approximating \$1,000,000. In addition to these open transactions, numerous private sales of these securities also for European interests were reported.

Advices from leading financial centres confirm local reports of a steady piling up of cash, a condition which conservative banking interests are beginning to view with concern, because of its tendency towards reckless specialistics. up of cash, a condition which conservative banking interests are beginning to view with concern, because of its tendency towards reckless speculation and inflated values.

The bond market was heavy thruout with total sales of \$2,460,000.

The west weather proved more than a full offset for temporary heaviness, in sympathy with wheat, and for glowing reports regarding the crop outlook in Iowa and Illinois. Prices of oats were relatively firm thruout the day, owing to a do preferred.

TRADING FEATURELESS

Volume of Business Small and Price Changes Are Equally Uninteresting.

The Toronto stock market was dull and featureless yesterday. Price changes were insignificant and the volume of trading light. The Wall Street Journal had another strong article on Steel of Canada Saturday, but this had no immediate effect on the The other steel stocks were dull and unchanged. In the unlisted department Dome Extension and Timiskaming were strong; otherwise this section was as featureless as the list-

STOCK MARKET DULL

Less Than Twenty-Three Hundred Shares in All Sold

MONTREAL, Sept. 7.—Local stocks were even duller today than they were before the holiday, business in listed shares, exclusive of mining stocks footshares, exclusive of mining stocks footing up less than 2300 shares for the day.

Except for evidence that holders of stocks were not alarmed over the possibilities of German-American complications arising from the torpedoing of the Hesperian, business was without feature. The general lowering of quotatics. tions at the opening in New York in-duced very little selling here, and when New York developed a firmer tone, a little buying came into the market here little buying came into the market here and found stocks in scant supply. The day's fluctuations, taking the market as a whole, were the narrowest in more than a month, the extreme range among the more active stocks being % point and the average about %. Net changes accordingly were small, but in proof of the good tone of the market was the fact that small gains outnumbered small losses.

closed firm at the latter price, a gain of %. Scotia was % up and Steel of Canada ¼ up. Bridge and Locomotive at 148 and 50% respectively, were easy.

PRICE OF SILVER.

LONDON, Sept. 7 .- Bar silver 23%d per ounce. NEW YORK, Sept. 7.—Commercial bar sliver is up 1/8c at 48%c.

HIGHER VESSEL RATES

Large Deliveries of Grain Also Caused Sagging in Quotations.

NEW York, Sept. 7.—While the close in Wall street today was irregular, an impressive fact about the trading was that the speculation in "war stocks" had been relegated to the background—an unapplicable of the packground—an unapplicable of the second of the season's depicted to the second of the season's depicted to the he speculation in "war stocks" had been relegated to the background—an undoubtedly wholesome indication.

Exchange on London opened about half a cent under Saturday close, but a downward trend was in evidence. During the day the quotation fluctuated between \$4.63½ and \$4.66.

Stocks opened at 1 to 2 point declines oldsy, reflecting the marked heaviness of our securities in London. From that level there were immediate recoveries, followed by another setback. Later the

and Illinois. Prices of oats were relatively firm thruout the day, owing to a good export call. General liquidating sales by discouraged holders of pork carried the entire provision market down-grade. On the break, however, it was said that export business developed, and that domestic cash demand picked up also to a considerable extent. BIG DAY'S TRADING ON FRUIT MARKET

Under Pressure of Shipments.

PEACHES TOOK DROP

Large Quantities Held Over Last Night for Today's Selling.

There was a tremendous market of wholesale fruits yesterday, consisting prin- VEIN MATTER WIDENS cipally of peaches. Fourteen carloads came in on the morning train alone, and these were followed by large shipments thruout the day. In the morning the demand was good and prices kept fairly strong, but they could not withstand the steady influx and later in the day the peach market materially declined; large of 200 feet between the two ore bodies.

o'clock.

Peaches sold all the way from 27½c
to 85c per 11-quart basket, and 25c to
50c per 6-uart basket. In the afternoon the bulk of 11's sold at 40c to 55c. noon the bulk of 11's sold at 40c to 55c.

Some choice ones were shipped in by C.

E. Fisher & Sons, Queenston, to White
& Co.; J. A. Wood, St. Catharines, to
Clemes Bros., and Wm. Lees, Niagaraon-the-Lake, to H. J. Ash.

Pears were generally of choice quality,
and sold at from 40c to 35c per 11-quart
basket. H. Armstrong of Port Dalhousie

5,700 Blueberries—\$1.35 to \$1.50 per 11-quart basket.

AT PORCUPINE CROWN Prospects in regard to drifting at 600 feet at the Porcupine Crown Mine On the fifth level there was a gap of 200 feet between the two ore bodies, peach market materiany described, and the state of the st now being drifted upon is four to five feet wide, with low but promising

sold content. There has been a considerable improvement in the vein as it is drifted upon to the south at the 500 foot level. It is true that it is not as rich, but instead of being from three and a half to four feet wide, it can now be stoped for 25 feet with profit.—Porcupine Ad-

The three compartment shaft is down to the 300 foot level, and a station has been cut, but no development of any consequence attempted at the lower level.—Porcupine Advance.

NORTH THOMPSON

CUTS NEW VEIN

At the 200 foot level of the main

shaft of the North Thompson mine a

vein about two and a half feet wide

has been cut. The ore shows much

gold and is much higher than the av-

erage of the mine. The cross-cut ran

shaft, and as it was not expected that

the main vein would be cut until a distance of 50 feet had been made, it

is an ore body that is apparently

WINNIPEG GRAIN MARKET. WINNIPEG. Sept. 7.—The first hour and a half of business the market was weak around the opening level, but strengthened considerably later on good cash demand and considerable export

cash demand and considerable export business.

Opening prices were 1%c to 2%c lower, with a gain of about 2c from the low around noon. This was not maintained, however. Oats opened %c higher. Flax opened %c lower on Qctober and 2c lower on November, and December showed further declines on the later months.

Exporters report fair business worked. Cash was in good demand.

Inspections, 1285 cars (three days). In sight, 450 cars.

Wheat futures closed 1%c lower. Cash wheat closed 4½c lower; oats ½c up, and flax 1%c to 2½c lower.
