

CARNEFAC STOCK FOOD

PROF. SHAW'S OPINION:

Read what Prof. Shaw, formerly of the Ontario Agricultural College, Guelph, Ont., and now Editor of the St. Paul Farmer, says of Carnefac Stock Food:

St. Paul, Minn., Dec. 10, 1902.
THIS IS TO CERTIFY that the ingredients used by Mr. W. G. Douglas, Winnipeg, Manitoba, in the manufacture of his Carnefac Stock Food has reference to them that I am satisfied they are all healthful. If properly blended they should make a splendid food for live stock, more especially appetizer and will also tend to stimulate the digestion so that when fed to animals not in good condition of thrift the result should be to quickly improve their condition. I would suppose that this food would be especially helpful in feeding horses in preparing them for spring work, and in putting in tone the stomach of cattle, sheep and swine that have been pushed too hard in feeding. It should also render good service when fed to calves that are not prospering because of indigestion.
 THOMAS SHAW.

W. C. MACDONALD, Actuary. J. K. MACDONALD, Managing Director.
