

Serum, the type of precipitant ..	597	Splenomegaly, postmortem ..	198
serum precipitant ..	582	relapsing fever ..	35
Serum ..	641	SPINAL CARIES ..	675
Serum ..	698 et seq.	abscess ..	675
typhoid fever ..	712	1. bone ..	679
ulcerative endocarditis ..	226	2. intervertebral ..	291
Serum ..	226	3. vertebral ..	679
Serum ..	258	Splenitis ..	677
Sexual fever, after typhoid ..	228	typhoid ..	163
Sexual fever ..	573, 575	SPINE, INJURIES OF ..	675
Shock in abdominal affections ..	1	gunshot wound of ..	291
Shock in gas gangrene ..	276	value of ..	679
Shock in gunshot wounds ..	290	SPINE, TUMOURS OF ..	661
Shock in anaesthesia ..	28	neurinoma ..	662
Shock in relation to ..	46	typhoid ..	711
Shock in ruptured kidney, significance ..	4	Splenomegaly in leukaemia ..	345, 346
Shoulder, the signs following sprain ..	362	gunshot wound of ..	296
Shoulder, the ..	363	rupture of, from abdominal con-	
gunshot wounds ..	365	dition ..	1, 3
tuberculosis ..	125	Splenectomy in carcinoma of liver ..	494
Silver salts, influence on general ..	281 et seq.	contraindicated in leukaemia ..	397
Sinus arrhythmia ..	598	in peritonitis ..	598
Sinusitis, lateral ..	354	splenectomy ..	22
Sinusitis, nasal accessory (see Nasal		of intestine ..	25
Accessory Sinusitis) ..	592	SPLENIC ANÆMIA ..	21, 24
Skin, action of ..	10	ascites due to ..	126
skin, action of ..	203	Splenoidillary leukaemia ..	344, 346
and ..	222	Splenomaegaly, polycystic ..	500
changes in gas gangrene ..	277	Polycystic ..	500
symptoms in ..	441	Splenomaegaly, Egyptian, 1. ..	494
Skull, gunshot wounds of ..	296	with ..	494
injuries ..	312	primary ..	21
sarcoma of ..	151	of ..	21
Sleep in relation to mental disease ..	434	Splint, compression, Volkmann's ..	487
Sleeping sickness (see Typhus		paralysis ..	362
indus) ..	597	Sprains ..	362
Sleeping sickness (see Typhus		arthritis and adhesions follow-	
ing) ..	597	ing ..	362
SMALL-POX ..	642	SPRUE ..	193, 664
age incidence ..	642	Scandinavian statistics of ..	791
complications ..	646	treatment of ..	791
influence of race in ..	644	Staphylococcal infection, peri-	
sex incidence ..	643	ditis with ..	544
special symptoms ..	645	meningitis ..	425
vaccination and ..	647	Starvation, the ..	6, 7
Sodium bicarbonate, influence on ..	8	Stases, patch of, in neutral ..	321
acidosis ..	741	Stasis, lymphatic, relation of ..	41
in yellow fever ..	741	and spinal analgesia ..	37
Sodium bicarbonate in gunshot wounds ..	275, 289	Stemmann's method in ..	274
Solar plexus, death from blow over ..	1	Stenosis, aortic ..	328
SOLDIER'S HEART ..	648	cardiac ..	318
Solubility, separation in ..	141	palmonary, acquired ..	339
of ..	141	congenital ..	331
Speech, effects of chronic alcohol-		of pyloric, congenital ..	600
ism on ..	46	transposed ..	329
laryngectomy on ..	388	Sternal structure, in yellow fever ..	741
results in ..	191, 199	Sternal fracture of ..	298, 295
Splenitis ..	595	Stenosis, laryngeal ..	284
SPINA BIFIDA ..	651	ventricular ..	485
Morton's and ..	651	Surgery of degeneration in ..	461
in ..	651	disease ..	461
Spinal anesthesia, the ..	37	with ..	482
contraindications ..	37	in ..	482
death rate in ..	37	Still's disease ..	118
