

TORONTO, JANUARY 1st, 1863.

To THE TOWNSHIP CLERK, .. ( )

DEAR SIR, .. ( )

I enclose you my revised list of Blank Forms, all of which are neatly printed on the best paper and charged at the lowest rates, and I respectfully solicit your orders for such Forms and Stationery as may be required for your Municipality during the current year. You may at all times rely on prompt attention, and that every thing sent will be of the best quality and the charges strictly reasonable.

I have also to intimate that in accordance with my usual custom a Weekly Newspaper or other Periodical to the amount of One Dollar per year, will be sent free of charge to the Clerk of each Municipality sending orders. Not being the Publisher of any such Periodicals, but having to purchase such as are required, I am willing to allow the parties themselves to chose what paper or periodical they would prefer; and in all cases where the amount exceeds the above limit to charge only the excess, but the amount of subscription exceeding the dollar will require to be pre-paid.

A list of papers, &c., is subjoined, and also a printed form which you can fill up and return to me at once, post-paid, and the periodical you desire will be regularly mailed to your address. I shall be glad to hear from you as early as convenient.

I am, Sir,

Yours respectfully,

HENRY ROWSELL.
