WILSON AND MORDEN

Adjournment Made Until March 3 - Keeley Mine Sues Farmers' Bank.

Matthew Wilson, K.C., and C. S. Mor. den, assistant manager of the Trusts & Guarantee Co., were arraigned in police court yesterday morning, charged with conspiring with W. R. Travers to procure him to give the company a fraudulent preserence over the other creditors of the Farmers' Bank in the matter of an alleged consolida tion of \$175,000 loan and a \$120,000 unsecured deposit. Both pleaded not unsecured deposit. Both pleaded not guilty, and the case was adjourned till March 3, when a day will be set for the trial, so that, in the event of a committal for trial, the matter will be ready for the grand jury of the sessions, which meets in a week.

An action has been begun by the shareholders of the Keeley Mines, Limited, by permission of Referee McAndrew, against the Farmers' Bank for an accounting of the matters between an accounting of the matters between them. The shareholders allege that the indebtedness to the bank is nearly so large as announced by the liquidator, and they declare that the transfer of the bonds of the mine was

quet—Regiment Flourishes.

The 12th York Rangers lay claim to have had more men in active service than any other regiment in Canada, and they were all out on active service at their annual dinner in the St. Charles last night. Lieut.-Col. Allan was in the chair.

The reports of the various committees were read, and all showed the regiment to be flourishing. Major Wadsworth's toast to "The Canadian Militia" was responded to by Lieut.-Col. Henderson and Capt. A. T. Hunter: "Sister Corps," proposed by Capt. Clarke, was responded to by Lieut.-Col. Galloway, D.A.A.G., and Capt Butcher, Capt. Spaulding, and Lieut. Herron; "Ex-Coloneis," proposed by Major Brown, was responded to by Lieut.-Col. Lloyd and Lieut.-Col. Leslie; "The Ladies," proposed by Lieut. Rogers, was responded to by Lieut. Fletoher and Lieut. Brand and Mr. T. Morrow contributed songs.

Others present were Majors Nicol, Brown, Gillies and Elliott Capts. Dunham, Brown, Hunter, Clarke, Hamilton and Knox, Lieuts. Fletcher. Walker, Taylor, Baillie, Holdsworth, Bolt, Rogers, Brown, Glover, Brann, Curran, Fowler and Darlington.

PATRIOTISM, NOT PARTY

Col. Denison's Views on Reciprocity Cheered at G. G. B. G. Dinner.

Col. Denison's views on Reciprocity
Cheered at G. G. B. G. Dinner.

Enthusiastic patricism was in the air at the sergeants of the Governor-General's Body Guard dinner in the St. Charles last night, when songs and speeches of loyal strain brought forth cheer after cheer, and 150 lusty military throats can make a noise worth while at any time.

Col. Denison gave voice to his opinions on the proposed treaty in no uncertain terms. He instanced the reciprocity treaty between England and which finally ended in a bitter war, because the French industries were starving, and the country was unable to break from the treaty. "And Taft is just trying to play Pitt's game on us," declared the colonei.

"It's not a question of party politics, at all." he said, "we must club together on this thing, and put our country before our party. I would rather be a turncoat to my party than a traitor to my country, and why should we think of Liberal or Conservative when we have that before us which occupies the fate of our country." he finished, amid great applause.

Lieut.-Col. Mason said he could not imagine any loyal Canadian having any other view than that expressed by Col. Denison. "What would fither like," he asked, "if we could no more couple the names of Canada and the Empire?"

Lieut.-Col. Dunn also addressed the gathering, speaking more on the questions of purely military interest. Messrs. D. Cowan, F. Buckley, George Kentwell and Leithheuser provided the music.

BETTER WATER IN SCHOOLS

Trustees Appoint Sub-Committee to Improve Present Conditions.

"It is absurd that when we do not allow our children to drink the city water at home," said Trustee Brown to the property committee of the board education yesterday, "they should be allowed to drink it freely in the schools. Something should be done to avoid this."

The committee passed a resolution to the effect that the chairman of the committee, Trustee Hodgson, Superintendent of Buildings Bishop and Trustee Brown should be appointed to a sub-committee to provide good water at once and report the cost after.
Rev. R. A. Bushell of St. Clement's church, representing ratepayers of his district, urged the necessity of the en-largement of Leslie-street school. The matter was referred to the build-

ings committee. The purchase of a lot 45 x 138, front-ing of Fartlett-avenue and immediate-ly to the north of the Dovercourt school at a cost of \$30 a foot, was re-
