COST OF LIVING MOT BOLSHEVISM

Mrs. Armstrong Upholds Winnipeg Strike Leaders, at Labor Temple.

The high cost of living and not Bolshevism caused the Winnipeg strike," said Mrs. Armstrong, in the course of her version of the labor troub es there, given at a mass meeting held in the Labor Temple last night, in the absence of Mr. Munro, Herbert Lewis presided over the meeting, which was called to protest against the treatment accorded the Winnipeg strike leaders. The case of Mooney, the Californian labor man, who was recently sentenced to life imprisonment, was also discussed. John Mooney, bother of the man in question, Mrs. Helen Armstrong of Winnipeg, and Tom Mellalieu spoke. Finally a resolution was unanimously passed cailing on President Wilson to "continue his earnest endeavor to help to get a new trial for Mooney and Billings, and unless the same is secured we can have ho respect for the court that refused to give men a new trial in face of all the corruption used to obtain a conviction."

Tom Mooney told the history of his brother's trial and characterized the whole proceeding as a "frame up," and appealed to labor men in Canada to prevent a repetition of conditions in the Winnipeg trials.

Mellalieu said that the working classes should form a dictatorship until they are emancipated, and added that Canada is ruled by a Soviet composed of capitalists.

A. W. Mance announced receipt of a reply to the recent resolution re Winnipeg strikes from Premier Borden, in which the premier advised that the document was receiving careful consideration. During the discussion many protests were made against holding the alleged strike leaders at Winnipeg and refusing ball pending trial.

Use More Corn Syrup For Preserving

> Real home-made preserves, and the woman who puts them up-how they're both appreciated. Preserving is not difficult to-day. The LILY WHITE way has removed the uncertainty. Most of your preserving troubles have come from using sugar alone. Even the beginner can count on success if she will use half LILY WHITE and half sugar. LILY WHITE blends the sugar with the fruit and makes preserves that will never crystallize.
