

TECUMSEHS RUNAWAY FROM TORONTO, 21-7

Rosedale Men Pulled Up Some in Last Quarter—Cornwall Beat Nationals.

Tecumseh made a run-away of it with the Nationals at the island Saturday afternoon, leading at half-time by 12 to 1.

Teams and officials:

Toronto: Goal, Regan; point, Francis; cover point, Menary; defence, Hambro, Gilmour, McKenzie; centre, Taylor; home, Carmichael, Cameron; outside, Clark; inside, Warwick.

Tecumseh: Goal, Clark; point, Griffiths; cover point, Stewart; defence, Pickering, Davidson, Rowland; centre, Felker; home, Querrie; outside, Durkin; inside, Graydon; inside, Adamson.

Referee, William McIntyre; judge of play, "Shower" Robertson.

Timekeepers, W. H. Hall and Fred Thompson.

The threatening weather kept a lot of people away and the status was not pure than last time. An innovation was a program of music furnished by the Cadets Band.

The Tecumsehs were first on the field and were rewarded with a heavy cheer, and when the blue shirts from Rosedale appeared their friends were heart from.

Cornwall Defeated Nationals.

MONTREAL, June 29.—Before a crowd of 4000 people, the Cornwall lacrosse team played a match with the Nationals in the N.L.U. series on Saturday afternoon. The weather was very fine, but rather too warm for comfort. The line-up of the Nationals was the same as on the previous Saturday, when they defeated the champions. Bob Taylor, who had been appointed judge of play, was out of town, and there was a long delay before the game, while another official was selected. Finally Harry Smith of the Shamrocks was induced to leave the cool, shady seat in the grandstand to spend the afternoon running about the hot field as Guy Pettigrew's assistant. Game started at 2:47 p.m. The teams lined up as follows:

Cornwall: Goal, Lalonde; point, Burns; defence, Cameron; defence, Thompson; centre, White; defence, Reid; home, Degan; outside, Degan; outside, Frank Cummings; inside, Reddy McMillan.

Nationals: Goal, L'Heroux; point, Catterick; cover point, Blanchard; defence, Clement; defence, Sauve; defence, LaChapelle; centre, Secours; home, Pitter; home, Dubois; home, Lamoureux; outside, Laviolette; inside, Laderoute.

Referee, Guy Pettigrew; judge of play, Harry Smith; umpire, Dr. W. Knight and R. Gauthier; timekeepers, J. P. Kervin and H. Lacoste.

CLOSE AT LISTOWEL HARNESS RACES IN RAIN

Baron Fuller Wins Three-Year-Old Trot—Sid Barnes Captures One Heat of 2.30 Trot.

LISTOWEL, Ont., June 29.—(Special).—The attendance at the closing of the circuit races here to-day was somewhat smaller than usual. Saturday, of course, is a poor day as a rule, but under the circumstances it was impossible to get away from racing to-day. As on the two previous days the weather was fine to begin, but at 4 o'clock a heavy rain cut loose, which put an end to the racing.

The three-year-old race for trotters was first on the card. Cope Stinson's chestnut filly, Mary Isabel, by Stinson, 2:13.4, son of Geneva, 2:11, captured the first heat handily from the Water-town, N.Y., colt, Baron Fuller. However, the latter came on and landed the next two heats, which gave him the race, as it was a two-in-three contest. Rosie F., the mare owned by Thomas Burns of Watertown, N.Y., and driven by Lou Banta, captured the first heat of the 2:27 trot easily, and was first again in the second heat in the slow time of 2:30. The Major and Steel Belts broke repeatedly in this heat, which accounts for the slow time.

Sid Barnes, driven by William Hodgson Jr. of Montreal, won the first heat of the 2:30 trot by a small margin from Dr. Riddell's stallion, The Bison, who led to within a short distance of the wire in the last half, when he made a break. Jack Moore's mare, Viola, led for the first half. In the second heat of this race, Powell, who was driving Viola, got her away boiling and led throughout, but by a nose only in front of Sid Barnes, who came fast thru the stretch, but could not quite get up with her to win. Immediately after this heat the rain came down in torrents, which necessitated declaring the races off. This gave the race to Sid Barnes, as he stood best in the summary. Rosie F. was declared the winner of the 2:27 trot, and the free-for-all had to be called off.

Important News For Ford Owners:

FORD PATRONS, PRESENT AND PROSPECTIVE, will be pleased to learn that we have just established our own Branch Retail Sales Store in Toronto—at No. 6 Adelaide Street East.

THIS IS AN IMPORTANT MOVE in the local motor car situation and its results will be far reaching.

IT IS NO SECRET that the agent's discount on Ford cars is very much less than on any of their competitors. Ford prices being so much lower and Ford quality so superior to others selling at anywhere near the same figures, make it impossible for us to allow a large agent's "rake-off."

THIS FACTOR HAS HAD AN IMPORTANT BEARING on the sale of Ford cars and in the treatment, afterwards, of Ford buyers.

NO MATTER HOW HONEST or how able the commission agent, so long as he handles several different makes of cars, on all others of which his profit is greater than on Fords, he is liable to consult his own immediate interests.

TORONTO IS THE MOST IMPORTANT distributing point in Canada. The Ford interests here are great. We have found it necessary, for our own continued success and for the welfare and convenience of our patrons, to establish this branch store and repair shop.

OUR ENORMOUS OUTPUT—now nearly twice that of any other maker in the world—makes feasible, and the conditions—the interests of our patrons and of ourselves—makes imperative, this move.

WE HAVE A REPUTATION for what is termed "Ford Courtesy," of which we are most jealous, and which we are desirous to promote. Ford drivers are either the best salesmen or the most persistent "knoockers"—according to whether their cars, and the treatment they are accorded, are satisfactory or the reverse.

FIRST, LAST AND ALL THE TIME, it is to our interest to see that every Ford car is running all the time and in such condition as to be a credit to us as makers.

OUR BROADER EXPERIENCE teaches us not to be penny wise; teaches us that courtesy pays bigger dividends and costs us less than anything else that goes with a sale; teaches us that the smaller the margin the less we can afford to have dissatisfied customers; and teaches us that the "get-rich-quick" plan is as unstable in the automobile business as in any other.

WE'LL LAY A SOLID FOUNDATION for the successful future of the Toronto branch—can afford to, because Ford will always make, and Ford will always sell. Ford cars, and the interests and welfare of Ford owners will always be inseparable from the interests and welfare of the Ford Motor Company.

WE PROPOSE TO SELL MORE FORD CARS in Toronto and vicinity than are sold of any other four makes—just as we do in New York, Chicago, Detroit, and other large centres.

WE INVITE EVERY FORD OWNER to make our place his headquarters—it will not cost you fifty cents every time we look at your car or adjust your carburetor. Let us see your car every little while—a stitch in time, you know.

SKILLED MECHANICS from the factory will make all adjustments and repairs. And when it becomes necessary to charge, it will be for service—intelligent service—rendered, and not for "guessing" what is amiss. That's worth thinking over.

A ONE YEAR'S GUARANTEE GOES with our six-cylinder car—just to show our confidence in its enduring qualities and our willingness to stand back of our product. It will cost us less than one-half of one per cent.—but it will be a source of much satisfaction and assurance to the buyer. So a year's guarantee against defective material and workmanship goes with every Ford six.

TO-DAY there are 7,287 Ford runabouts and over 700 Ford sixes on the road!

Model K, 40 h. p., \$3500.

Model N, 15 h. p., Runabout, \$750.

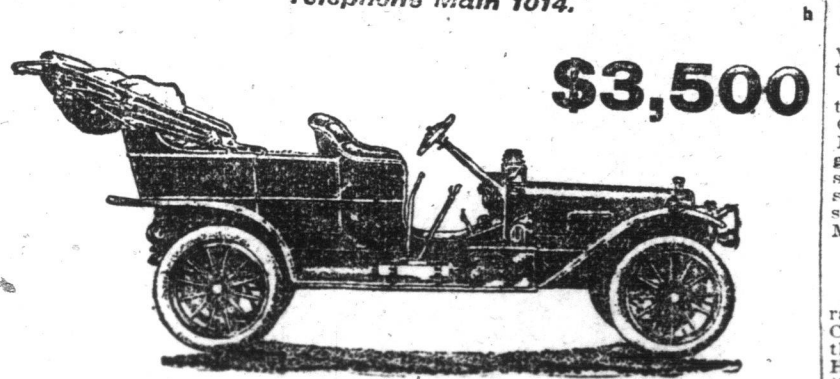

Model R, Edition de Luxe, \$850.
