WOULD REDUCE POWERS OF CITY ENGINEER RUST

Ald. R. H. Graham Says Aim is Not to Dismiss Official—Will Not Demand Enquiry.

What is to be the future of City Engineer Rust? The question is one that has awakened considerable interest in civic circles since the hints thrown out at the last meeting of the city council that Mr. Rust's tenure of office might be threatened.

However, it now appears that Ald. R. H. Graham, who was the most outspoken, has not in contemplation anything so drastic as the dismissal of the city engineer. When asked last night if he intended to move for an investigation into the department, as he had intimated, he disclaimed any such intention, also any idea of displacing Mr. Rust's services. He has fallen back upon the plan suggested some time ago, of appointing an associate engineer, who would have charge of larger matters of administration, while Mr. Rust would attend to the ordinary everyday routine of the work. Of course this would practically mean disposing of him as head of the department, but it would not necessarily imply a reduction in salary and might not on the whole, be displeasing to Mr. Rust, as it would relieve him of much onerous work and responsibility.

FIRE AT HAMILTON.

Horse Burned to Death and Barn Destroyed.
HAMILTON, Oct. 23.—(Special.)—Fire started at 11:15 to-night in a barn in the rear of the Toronto and Hamilton Electric Co.'s works, corner of MacNab and Vine-streets. The barn was destroyed and a horse burned to death. The fire spread to the electrical works, but was checked before much damage was done. Total loss about \$500.

S.P.S. MEN BANQUETED BY CITY OF HAMILTON

Students Had Exciting Time of It in a Street Car—General News of the Ambitious City.

HAMILTON, Oct. 23.—(Special.)—Franklin Book, 46 Alkman-avenue, died in the City Hospital this evening. He was struck last spring at the Canadian Westinghouse Company's Works by a wrench, but it was thought that he had fully recovered from the injury. An abscess formed a few days ago, and the operation for its removal proved fatal. Capt. Bongard told the members of the fire and water committee this evening that the sandpucker, owing to the fact that the coal boxes were but from 5 to 6 inches from the boiler, had caught fire a dozen times previous to the one that almost wiped the machines out of existence. Contracts for the repair of the boiler and engine were let at \$1250, and it is thought that the insurance of \$2500 will cover the cost of repairing the framework. The repairs cannot be made in less than six weeks, which will make it too late to do any more extensive operations this year. W. McDougall and Craig were appointed firemen, and Chief TenEyck was given permission to make arrangements for an entertainment, from which he hopes to get enough money to start a benefit fund for the firemen. The hook and ladder truck will be repaired. No more mains will be laid in the county until the new pumps are installed. Engineer Barrow was empowered to engage expert aid for the drawing up of the specifications for the pumps. The Cataract companies will be notified to take steps to prevent further injury to the city pipes by electrolysis. Ald. Dickson presided at the dinner tendered by the city to-night to the students of the School of Practical Science, held at the Waldorf Hotel. Addresses were given by Professors Wright and Ellis.

W. Build Summer Park.

Col. Ingersoll says he will build a summer park near Hamilton, even to the Beach Commissioners will not give him a license for the Beach. The journeymen barbers have decided not to work after 11 o'clock Saturday nights after Nov. 2, and the employers have agreed to keep open until midnight.

Mrs. Lucinda Berrishaw, who lived with her nephew, A. Bellisle, North Sherman-avenue, died in her 100th year yesterday. She had lived in the city since she was a child, and her remains were forwarded to Brockville this morning. The Tigers will leave for Montreal on Friday morning. They will not make a pretense against playing against Erie Russell.

Mrs. Maggie Smith was this morning fined \$50 for selling liquor without a license. She was charged with selling liquor to Joseph Marshall and A. Dubler were remanded this morning at the police court on a charge of stealing about a ton of pig iron from the C.T.R. It is claimed that the pair were hauling it away in a wheel-barrow.

Samuel and M. Goldbers, King and Caroline-streets, are receiving congratulations of their many friends. A daughter, born to them Sunday night. Charles Sleser, Stony Creek, was fined \$10 to-day for selling liquor to minors.

Between three and four hundred students of the School of Practical Science visited the industrial works of the city to-day. This afternoon City Engineer Rust lectured to them on the waterworks and sewage systems of the city, and the students were entertained at a dinner at the Waldorf Hotel at 7:30 this evening.

The students distinguished themselves by practically wrecking one of the street cars, seeming to find great delight in tearing down signs and advertisements, breaking the bell-rope, and in ways making what is commonly known as a rough house.

It was the intention of the street railway company to invite the students to various sub-stations of their Carleton Place Power Company, but Traction Manager Green announced last night that the invitation had been withdrawn because of the students' action in damaging the cars.

Speaking of Cheap Lighting.

Did you ever stop to figure the cost of lighting with natural gas? The regular natural gas burner will produce from 50 to 60 candle-power with a consumption of one and one-half feet per hour, and at the rate of 40 cents per 100 feet, it costs about 20 cents per hour, less than 1-1/2 cents at the rate of 35c per thousand feet. AMENDING THE STATUTES.

The provincial government met in session at 11:30 yesterday morning, and again at 2 p.m. The principal business considered during the day was certain proposals, but in the main, the session was devoted to the consideration of amendments to the statutes under consideration. Justice Oler is chairman of the commission.

Gillies Suit Still On. In the non-jury assizes yesterday, Justice McMahon took further evidence in the action to recover \$90,000 from the Brussels postoffice, brought by the Gillies brothers. Several fire-branders from the north were examined as to the start of various fires, and the damage resulting therefrom along the right of way of the T. & N. O. The case goes on again to-day.
