

SERIOUS CHARGES SENT TO COUNCIL BY SUB-COMMITTEE

Alleged Bishop Fallon Was
Willfully Given Exemption.

ASKING FOR DISMISSAL

Official Not Named, But the
Matter May Come Up
Before Aldermen.

At the meeting of the finance committee of the city council last evening, Dr. R. W. Shaw reported on behalf of the special committee named some time ago to investigate separate school assessments, and it found that wrong assessments had been made. It was claimed that Bishop Fallon was deliberately given a reduction of \$1,000 on his income tax, and it was recommended that the official, who was not named, be dismissed from the city service. The report was ordered sent to the council.

It is as follows:
Your sub-committee met this afternoon in Assessment Commissioner Grant's office, at 4 p.m. Present: Controller Shaw, Ald. J. J. Dyer, City Solicitor, Meredith and the assessors.

1. That a number of the ratepayers were assessed at their residences as public school supporters, and at the same time as separate school supporters. The explanation of the assessment commissioner, that separate assessors had made the assessment is insufficient.

Without Consent.

2. That Greek and Russian Catholics are assessed as Roman Catholics without their consent. The committee found this to be the general practice.

3. That the city clerk has improperly proportioned, that the committee of previous years had been advised of this, and that the income of Bishop Fallon was willfully, wrongly given an exemption of \$1,000.

Your committee recommends:
That the assessment commissioner be instructed to make a proper report of the court of revision for correction of all errors of assessment as determined by clause 1 hereof, and that the controller be instructed to exercise more careful scrutiny of such assessments.

Correct Errors.

That Dr. George S. Welz or some other person be authorized to investigate and ascertain the wishes of all ratepayers referred to in clause 2 hereof, and that the assessment commissioner be instructed to take the necessary steps to have all errors referred to in clause 3 corrected.

That the city clerk be instructed to follow the regulations in section 66 of the separate schools act with respect to corporations; that the practice of setting \$10,000 as an arbitrary sum to cover these assessments by the treasurer be discontinued.

That the official in the assessment department guilty of the willfully incorrect assessment of Bishop Fallon for \$100 for income be dismissed from the city service.

That the assessment commissioner be instructed to exercise greater care in determining the public or separate school supporters.

All of which he respectfully submitted. Signed R. W. Shaw, Controller.

J. J. Dyer, Alderman.

There was some little discussion. Dr. Shaw explained that Bishop Fallon had reported his income as \$4,427, but he was allowed a reduction of \$1,000, instead of \$1,500 as settled by law. He declared that it had been willfully done. The explanation was that the \$1,000 had been given away.

"Name the official," asked Mayor Stevenson.

"Better consider the report," answered Dr. Shaw. "We are not here to discuss after excuse for the blunders and worse. It is up to Mr. Grant to find the man."

Controller Little objected to outside help being brought into the assessment department, but the motion as presented above was carried.

URGES SUPPORT OF FOREIGN MISSIONS

The annual missionary tea of the Knox Presbyterian Society was held in the schoolroom of the Knox Presbyterian Church on Wednesday afternoon. This event has always been a success, but this is the most successful year the society has known since its establishment 40 years ago. The address given by Mrs. (Mrs.) McCrae, on the report of the council held in Toronto in June, discussing foreign missions, proved very interesting to those present. Mrs. McCrae urged the ladies to push forward in the great work that was before them, which was no easy task. Owing to the call for men from so many other good causes, one who said, "I could not forget their duty toward the mission, but, during these strenuous times, it is one of the things that I look forward to first. Mrs. McCrae also stated that if the women workers of the society do as well in politics as in their church work of the past year, there will be no need for regret for giving them the franchise. Miss Fair rendered a solo, which was well received. The program was closed with a prayer. The members then made their way to the tea room, where current topics were discussed, everyone enjoying thoroughly the tea that was provided by the members of the society.

GOING TO ENGLAND.
Miss Elizabeth Chellam, Miss Minnie Dodge and Miss Nellie Thomson of No. 4 Nursing Division, St. John's Ambulance Corps, have received notice from the central office to report in Toronto on Saturday. They will leave there at 11 p.m. for Halifax and London, the hospital ship en route for England.

ST. VITUS DANCE
Even the Most Severe Cases
Can Be Cured by Dr. Williams' Pink Pills.

Is your child fidgety, restless, or irritable? Are the hands shaky or the arms jerky? Does the face twitch? Do the legs tremble or drag? These are signs of St. Vitus Dance, a nervous disease which is confined chiefly to young children, but which often affects highly-strung women, and sometimes men. St. Vitus Dance is caused by diseased nerves, due to poor blood, and is always cured by the use of Dr. Williams' Pink Pills which fill the veins with new, rich, red blood, strengthening the nerves, and thus drawing out the disease. Here is proof: Mrs. John A. Cummings, Lower Caledonia, N. S., says: "When my daughter Myrtle was about nine years of age she became afflicted with St. Vitus Dance. The trouble ultimately became so bad that she could not hold anything in her hands, and had to be fed like a child. She could not even walk across the floor without help. She was treated for some time by a physician, but did not show any improvement. One day a neighbor said she had read of a case of St. Vitus Dance cured by Dr. Williams' Pink Pills, and she decided to try the medicine. By the time the third box was used there was some improvement in her condition, and we continued giving her the pills for about a month longer when she was entirely cured, and has not since had the least return of the trouble."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Company, Brockville, Ont.

MAY PROHIBIT SALE OF NEAR-BEER IN CITY GROCERIES

Many Deputations Urge Committee to Take Action.

ASSESSMENT REDUCTION

Hotelmen Want Taxes Lessened, But Matter Is Laid Over.

Several deputations addressed the aldermen on the question of grocers selling temperance beer at the meeting of the finance committee last evening. Deputations from the board of trade and the hotelmen asked for a reduction in the tax on beer, and a reduction in assessment of 50 per cent on hotels with more than 25 rooms for next year and the year following. The whole question was laid over until the next meeting.

J. F. Maine, Fred Wanless, G. S. Wright and others, representing church and temperance organizations, asked that the sale of beer by the bottle or glass be prohibited in all stores, restaurants, etc. They pointed out that this was a business for the hotelmen alone. They had suffered a severe reduction in revenue, and as they were inspected, they should handle the class of goods. The children were getting the beer now, with bad effects on themselves.

A. E. Silverwood, A. B. Greer and P. G. Mitchell spoke on the question of beer, and the hotelmen, and explained that hotels were in a bad way. One motion was made to allow grocers to sell only in dozen lots. Rose wanted a bill, but the matter was laid over until the next meeting.

Favors the Move.
"I would also recommend, after many years of the same old thing, the mission here, that the sale of beer by the glass be prohibited in stores and such places," said Mr. Greer. "It is an alcoholic drink, after all, and it will have the same effect on children as it has on adults. The committee discussed the matter at length. One motion was made to allow grocers to sell only in dozen lots. Rose wanted a bill, but the matter was laid over until the next meeting."
