HIS MAJESTY WATCHES AEROPLANIST'S FLIGHT

Fine, stationary or a little higher temperature.

Ottawa and Upper St. Lawrence—Fine and much the same temperature.
Lower St. Lawrence—Strong westerly winds; fair and cold.
Gulf—Strong winds, gradually shifting to westerly; local snowfalls; not much change in temperature.
Maritime—Strong winds, shifting to westerly; clearing in western portion; snow or rain in Cape Breton.
Superior—Fair to-day; stationary or higher temperature; snow in some localities on Friday.

Manitoba and Saskatchewan—Light snowfalls in a few localities, but mostly fair and moderately cold.
Alberta—Generally fair; not much change in temperature.

THE RAHOMETER.

Dishments of the American aeroplausists.

The King motored to the aviation grounds about half past three o'clock. The weather conditions were highly favorable; the sky was unclouded and there was very little breeze. Wilbur distributed the King to the aeroplane shed, where the latter minutely examined the mechanism of the machine, which was decorated with British, American and French flags. His Majesty watch ed the preparations for the ascent with the greatest interest, taking a position with a group for a photograph.

Mr. Wright made the first ascension alone. He remained in the air

"BRIGHT EYES" IS CLEVER

Bull Terrier That is Amazing Patrons at the Gayety.

"Now, Bright Eyes," she was asked all the virtue and beauty in the world when the laughter had subsided, "what goes neglected. Many factors have W. T. Odom, henory secretary of happens when you are ill and cannot the London Flour Trade Association, act?"

rento Board of Frade to secure the necessary legislation. This was embodied in a bill by Archibald Campbell, which has passed the senate, and it is understood will be dealt with by the house of commons at an early date.

Similar difficulties were encountered by the flour trade with the steamship. To the casual observer she appears to be a fox terrier, but on closer observation her face resembles either that the scholars of France and Germany declare has finer ideals servation her face resembles slightly and more heroic incident than the the grey hound. The most peculiar epics of Greece or Rome. Cuculain, feature is that one eye is flat like the feature is that one eye is flat like the bull dog, while the other is round like the terrier. It was now after eleven and the dog was sleepy, so she gravely got her mas-

ter's hat, and walking over to him gave a gentle hint, which he took. Then both
