

WEDNESDAY MORNING

From Foul Line to Headpin

There was some rooting at the Ibenite and Mineralite series in the Toronto Bowling Club League last night. Both teams with the decision and not until Tommy Ryan of the Ibenites threw his last ball in the tenth frame was the verdict known. The fair-haired roller had bowled his spare and also putting up the big total of 240 in the above rolling was the routing side of the "Tom" Bird for the Mineralites, which caused several of the spectators to comment on Tom's fine vocabulary while one went so far as to suggest a checkmate.
