

DR. J. D. KELLOGG'S HEALING OINTMENT

WILL CURE SORE OF ALL KINDS

THIS OINTMENT is a compound of remarkable healing ingredients, and its composition has been arrived at by the most thorough investigation. *It stands pre-eminently at the head of all the External Medicines for healing, as it never drives the disease inward to take effect on the Internal Organs.*

It is a sure and certain remedy for the healing of every variety of Sore, from a simple scratch or bruise to the most aggravated Fever Sore or Scrofulous Ulcer, including the Healthy Ulcer, the Weak Ulcer, the Indolent Ulcer, and Ulcers of all kinds, Wounds, Bruises, Burns, Scalds, Corns, Chilblains, Cuts, Sore Nipples, Broken Breasts, Boils, Bed Sores, Fistulas, etc., and all affections of the **SKIN** known by the name of Eczema, Salt Rheum, Erysipelas, Tetter, Scald Head, and every variety of Chronic Disease of the Skin.

PILES.—This Ointment has given excellent satisfaction in curing Piles. Some very bad cases have been cured by applying **KELLOGG'S HEALING OINTMENT** only, but while we believe that it will cure this troublesome and painful complaint without the assistance of any other medicine, yet we think the only rational means of cure is to use **Northrop & Lyman's Vegetable Discovery** to remove the cause of the affliction and the **HEALING OINTMENT** to remove the disease. You thus effect a complete and permanent cure.

ITS PROPERTIES, when applied to sores, go directly to the diseased parts, attract the virus to the surface, and *heal the sore from the bottom.* It is simply asked that the afflicted will **Try One Box**, the use of which will convince the most sceptical, and do more to introduce it into favorable notice than volumes written in its praise. In curing Scrofula and its Sores, with the assistance of the **Vegetable Discovery**, it is without a parallel. We say with the assistance of the **Vegetable Discovery**, for to attempt to heal a Scrofulous or any other Sore which owes its origin directly to Impure Blood, and while that impurity is in the system, is folly, as you cannot accomplish this successfully unless you drive the virus from the system. To remove Scrofulous Humor from

the Blood and System, it is safe to say there is no known medicine that will do it so effectually.

FOR THE TOILET.—As this Ointment is exceedingly pleasant, and never becomes rancid, it is admirably adapted for Sore Lips, Pimples, Eruptions or Sores that disfigure the face; *burn, Irritation of the Skin* after being exposed to the wind, Chapped or Sore Hands, and for all sores that require a cooling and healing Ointment.

For Irritation or Eruption of the Scalp, and diseases that have a tendency to cause Baldness, it will be found a Sovereign Remedy.

BAD CASES OF ERYSIPELAS CURED. Mr. GEORGE SMITH, Sombra, writes: "About three years ago my wife had Erysipelas in her face and legs and she was confined to her bed in consequence. Her limbs were so badly swollen that she could not walk. I got two boxes of **DR. KELLOGG'S HEALING OINTMENT** but only used one of them when she was cured and she has never had an attack of it since. The other box I gave to my father as he had an attack of Erysipelas in his face and it cured him. I always keep a box of **KELLOGG'S HEALING OINTMENT** in my house, and it would not be without it. It is also an excellent Ointment for Eczema."

FOR ALL KINDS OF SORES.—Mr. FERGUSON, Cajatown, writes: "For three years my cows were greatly troubled with sores which were so painful that we could not milk them, but by the use of **KELLOGG'S HEALING OINTMENT** they are now all cured. I have never tried anything as good as this Ointment for sores, and it is a wonderful article for all kinds of sores, and makes the skin soft."

FIVE YEARS OF SUFFERING.—Mr. S. LEWIS, Brierwood, Man., writes: "For five years I suffered with Scabs on my head; tried many doctors in England and Manitoba, but without relief. One box of **DR. KELLOGG'S HEALING OINTMENT** completely and permanently cured them."
