RECRUITING NOTICE—15TH HEAVY ARTILLERY

Get ready for the next war—don't wait for conscription. This battery is now drilling on Tuesday and Thursday nights with a mere handful of men. It should be 129, with a large waiting list. A fine chance is offered to the older boys of the numerous cadet corps to learn how to shoot a big gun. Men with actual experience will show you how to do it. A week of real shooting in the summer at Petawawa on the Ottawa River, follows the dummy training in the armory. Come down and have a look at the guns, and you can tell better whether you wish to join or not. C. F. INCHESTER, Major. 16829-12-14

WASSUFFERINGFROM INDIGESTION No Fear of Pains Now

Indigestion is one of the worst forms of stomach trouble, and many people suffer terribly after every meal they eat. The rising and souring of the food, pains in the stomach, heartburn, water brash, belching of wind, vomiting shortly after eating, etc., are some of the symptoms. There is no need for any person to be troubled with indigestion, dyspepsia or any other stomach trouble if they would only take Burdock Blood Bitters, which contains a combination of nature's roots, herbs, barks and berries; a combination that cannot help but put the stomach right. Mr. H. H. Collins, Norton, N. B., writes: "I was with the overseas forces for four years and two months. In October, 1914 I was unfortunate enough to be wounded and taken prisoner. I was a prisoner for 2 1/2 years, and the food they gave us was not good, at times, and after a few months I found I was suffering from indigestion. When I came home in July, 1919, I was nearly a wreck. I was told to use Burdock Blood Bitters. I did so and found great relief, and can now eat without fear of pains and sickness. I would recommend B.B.B. to all who suffer from indigestion." Burdock Blood Bitters has been on the market for over forty years, and during that time has made a reputation second to none for relieving all stomach troubles. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
