All American games postponed because of wet grounds.

In the National League, Grover Alexander won his sixth straight game of the season, when Chicago defeated Brooklyn.

St. Louis broke Boston's winning streak by putting St. Louis in the lead in the fifth inning, when he scored twice.

Cincinnati was shut out by the Giants yesterday. Benton was strong with the runners on bases, while Fisher for the "hansons" was wild in the first inning and Luque was hit hard in the last two rounds.

Summary of results:

elled: "Stop them; they are trying to break up my ball park!"

Ruth was on a big hitting spree. In the first inning, with Pipp on first, Babe

Robertson, the ex-Giant, who plugged a

homer into the left field bleachers in the

fifth, when the score was tied at 4 to 4,

and coaxed the Yankees into the lead.

In the eighth Hay Feich thumped a

bomber into the left field bleachers. It

struck inside and bounced out again, but

it was a homer, just the same. That

dangerous belt frightened Carl Mays, and

he settled down and held the Six in

check to the end.

The heavy third pushed the Yankees

into a good lead, but Mays was unable

to hold it. He got into a peck of

trouble in the fifth and the White Sox

tied the score.

The Yanks' fifth inning is just enough

example of the value of punch over

skill. Peckinpaugh walloped a homer

into the left field bleachers and broke

the tie score.

After Felsch's eighth inning smash

only three visitors faced Mays in the

ninth, and as many more in the tenth.

The assembled folks being satisfied

that they had their money's worth, called

it a day and went home happy.

## HEART SO BAD

WAS NOT SAFE TO LEAVE HER ALONE

Miss Eva F. Yatsman, Krugersdorf,

Ont., writes: "I feel that I must write

and tell you of the great benefit I have

received from Milburn's Heart and Nerve

Pills. About four years ago I was

taken terribly bad with my heart, nerves

and fainting spells, and was down in

bed for about six months. I doctored

with two different doctors and seemed

to get better, although the fainting spells

would not leave me. I would take such

terrible falls, wherever I was that it

was not safe to leave me alone at any

time. At last I decided to resort to

proprietary medicines and took several

different kinds, but seemed to receive

but little benefit from them. One day

noticing the advertisement of Milburn's

Heart and Nerve Pills I decided to try

them, and before I had taken more than

two boxes I could see they were helping

me. I have taken about ten boxes, and

## NO NEW ENGLAND LEAGUE GAMES THIS SEASON

In a recent issue of the St. John's

Sporting News it was announced that

the New England League will not operate

this season and that the territory

has been declared free for any other

baseball promoters to operate a league if

they see fit.

Although it was known locally that

the league was not taking any steps to

reorganize, this is the first official

announcement that they would not operate

this season.
