

IF HAIR IS TURNING  
GRAY, USE SAGE TEAHere's Grandmother's Recipe To  
Darken and Beautify Faded Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggly, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the tonic; you can get from any drug store a 50 cent bottle of "Weyth's Sage and Sulphur Hair Remedy," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Weyth's" Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant. Agent—Watson's 5 stores.

## AFTER COUGHING TWO YEARS

Waycross, Ga., Woman Found Relief in Vinol

Did you ever cough for a week? Then just think how distressing it must be to have a cough hang on for two years.  
Mrs. D. A. McCre, Waycross, Ga., says: "I had a very heavy cold which settled into a chronic cough which kept me awake nights for fully two years, and felt tired all the time. The effect of taking your cod liver and iron remedy, Vinol, is that my cough is gone. I can now get a good night's rest and I feel much stronger in every way. I am 74 years old."

It is the combined action of the medicinal elements of the cod liver oil aided by the blood-making and strength-giving properties of tonic iron which makes Vinol so efficient for chronic coughs, colds and bronchitis—at the same time building up the weakened, run-down system.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Watson's Drug Stores.

## SEX HYGIENE BARRED IN SCHOOLS OF FRISCO

San Francisco, March 30—Sex hygiene will not be taught in the public schools of San Francisco, Superintendent Alfred Roucivier in reference to the matter says:  
"It has no place in the schools. Such teachings belong to the home. Sex hygiene is in the province of the parents, the family physician and the church. The responsibility should not be shifted to the school-room. If it must be taught in public at all, lectures could be given by recognized authorities on the subject."

## Need Only \$1,800.

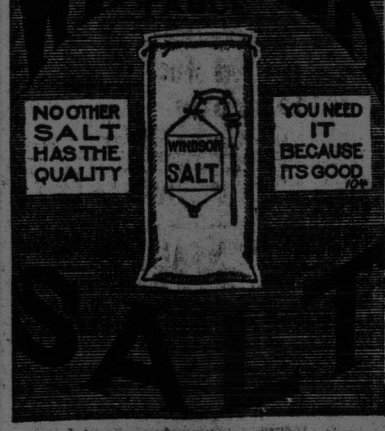

It was announced at a meeting of the workers for the Salvation Army metropolis which was held in Kott's assembly rooms on Saturday evening that \$18,200 had been collected and it was decided to leave the subscription list open with the hope that the remaining \$1,800 will be paid in. Rev. W. H. Barraclough referred to the campaign in the Centenary church yesterday morning and the need of completing the fund.

## This Boy and Girl Had St. Vitus' Dance

Boy Lost All Strength and Girl Could Not Speak—Doctor Could Not Help Them—Cured by Dr. Chase's Nerve Food.

So great is the strain on the system of the growing child that even with the careful attention to the food supply it is often difficult to keep up vitality. It is necessary to supply a blood-forming treatment in condensed and easily assimilated form, so that it may be quickly taken up by the blood stream and thereby nourish the feeble nerves back to health and strength. It is difficult to imagine anything as admirably suited to this purpose as Dr. Chase's Nerve Food.

Mrs. D. Ardies, Brandon, Man., writes: "My son, aged fourteen, and little girl of three years, were both stricken with St. Vitus' Dance. The doctor told us we had the ailment, but could not keep them from getting worse and worse, so when I received a book about Dr. Chase's Nerve Food I decided to try it.

## MRS. EDDY'S ESTATE MORE THAN TWO MILLIONS AND HALF

Concord, N. H., March 30—J. E. Fernand, the administrator of the estate of Mrs. Mary Baker Eddy, has made a final settlement of his account in the probate court.  
He turned over to the trustees appointed by the court the sum of \$2,500,000.81. The sum of \$25,000 was set aside to defend a suit brought by George W. Glover and D. E. M. Foster Eddy to recover legacies of \$10,000 and \$5,000 respectively. At the time the will was filed there was also presented to the court a statement showing that both persons received money prior to Mrs. Eddy's death in lieu of the inheritance taxed in the will.  
The figures given out are the first official figures as to the total value of Mrs. Eddy's estate. In her will she made a few personal bequests, but gave the bulk of her property to the directors of the mother church. She bequeathed \$175,000 to the second church in New York to help pay off an indebtedness.

## Hints for the Cook

## Nut Bread

One cup sugar, one cup cut-up nut meats, 1½ cups milk, ¾ cups flour one teaspoon salt, six teaspoons baking powder. Put into one or two small loaves; let rise 20 minutes; bake in moderate oven 45 to 60 minutes.

## Oatmeal Muffins

One cup cooked oatmeal, 1½ cups flour, 2 tablespoons sugar, 4 teaspoons baking powder, ½ teaspoon salt, ½ cup sweet milk, 1 egg, 2 tablespoons melted butter. Mix and sift flour, sugar, salt and baking powder; add ½ milk, egg well beaten, the remainder of the milk mixed with oatmeal, and beat thoroughly; then add butter. Bake in buttered gem pans.

## STRONG CANADIAN PLAY

Opera House Tonight — "The Royal Mounted"

Miss Brandt and Mr. Meharry will have ample opportunity to do some strong acting in "The Royal Mounted" produced by the Stock Company this week. A woman's wit against the Mounted Police succeeds in shielding her brother from their clutches until she falls in love with the rolicking Irish sergeant, who is staying at her brother's house disguised as a trapper, and in a burst of confidence born of her new found happiness she confides the secret of her brother's crime to Sergeant O'Brien. The scene that follows is intense. Mr. Hodge and Mr. Weyler have strong parts, while Miss Davis and Mr. Drummond will look after the comedy end as French-Canadians.

## IN HONOR OF FANNIE CROSBY

A musical service in honor of Fannie J. Crosby, blind poetess and hymn writer who celebrated her ninety-fourth birthday last week, was held last evening in Centenary church. All the hymns were of Miss Crosby's composition and Rev. W. H. Barraclough delivered an interesting address on the life, struggle and works of the writer. D. F. Pidgeon's solo, Safe in the Arms of Jesus, was particularly well rendered. Rev. Mr. Barraclough read a communication from Miss Crosby, acknowledging receipt of a letter of congratulation from one of the members of the congregation. He also read a set of verses composed by Miss Crosby as a greeting to the mission workers at the Marsh Bridge mission.

## Not Very Important

An old Scotch gentleman who was a great enthusiast on the golf links, and a young man who was equally enthusiastic about the game, had spent the entire day in the field, and had had some remarkably close and exciting games. As they left for home, the old man remarked, while his rugged face lighted up with a pleasant smile:  
"Hey, mon, but it's been a gran' day!"  
"It has," assented the young man.  
"Think ye could come again on the morrow, lad?"  
"Well," answered the young man respectfully, "I was to be married, but I can put it off."  
"I found a tribe in Africa," said the explorer, "that has absolutely no idea of morality or immorality."  
"That's interesting," said the mild lunatic, "but what did they do for plays?"

## Its Purity Is Absolute—

Its Strength, Flavor, Freedom from Dust, and Cleanliness of Preparation, has induced an Enormous Demand from a Critical Public.

## WILSON'S INVALIDS' PORT

a la Quina du Perou

### PRESCRIPTIONS OLD & NEW

**For Aged People**

General muscular feeblity, the inevitable consequence of advanced age, is the result of a sluggish blood current, the heart loses its pumping capacity, the arterial walls soften and the blood stream lacks sufficient force to properly circulate the lungs and receive oxygen.

Wilson's Invalids' Port (à la Quina du Perou) increases the red corpuscles in the blood and maintains nutrition at the proper standard, its blood-enriching strength imparting and generative properties are unexcelled. It is enjoyed when all other medicines disagree and is retained when all others are rejected.

Dr. H. W. Brant, the distinguished Physician, says:  
"In a number of cases I have prescribed your Wilson's Invalids' Port, and have found it entirely satisfactory in every case where used, being pleasant in taste and sustaining in its action."
