MORSE'S INDIAN ROOT PILLS.

CAUTION.

Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills. The name and signature of A. J. White & Co. on each box.

Dr. Morse, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia and Africa, as well as North America, and has spent three years among the Indians of our Western country. It was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become thick and cease to act, and thus our light of life will be forever blown out. How important, then, that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely Morse's Indian Root Pills, manufactured from Plants and Roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists nature in throwing out the finer parts corrupt ion within.

The second is a plant which is an Expectorant, that opens and unclogs the passages to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged they draw large amounts of impurity from the blood which is then thrown out boundlessly by urinary or water passage, and which could not be discharged in any other way. The fourth is a Cathartic and accompanier the other properties of the Pills while engaged in purifying the blood; the counter particles of impurity which cannot pass by the other outlets are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood for they find way to every part, and completely route out and cleanse the system from all impurity and the life of the body, which is the blood; becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing the blood, which throws the corrupted matter through every vein artery, until life is taken from the body by disease. Dr. Morse's Pills have added to themselves victory upon victory, by restoring millions of the sick to bloom, vigor, heat and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frame has been scorched by the burning elements of raging fever and who have been brought, as it were within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this good and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished and absolutely surprised, in witnessing their threatening effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—the deadly enemy—will take its flight and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days.

CAUTION.—Beware of a counterfeit signed A. R. Morse. All genuine have the name of A. J. White & Co. on each box. Also the signature of A. J. White & Co. all other are spurious.
