I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and interiesed me at the stemach. Two years ago it broke end on my head and covered my scalp and ears with one sore which was painful and leathsome beyond description. I tried many medicines and several physicians, but without much relief from any Gibbs. In fact, the disorder give worse, that you had prepared an alternative (Sawagarilla), for I knew from your equitation that any thing you made must be good. I sent to. Cheminati and got if, and used it did it cured me. I took it, as you advise, in small diseas of a fenspoonful over a month, and used almost fiftee battles. New and healthy skin some began to form under the seab, which after a while fell off. My skin is now clear, and I know by my feeding, that the disease has pone from my system.
