Dr. J. Walker's California Vinegar-Bitter's are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Siera Nevada mountains of California, the medicinal pro-perties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unnaralleled success of Virkeak Bri-ries?" Our answer is, that they remove the cause of disease, and the patient recor-ers his health. They are the great blood purifier and a life-giving principle, a perfect Removator and Invicoutator of the system. Never before in the history of the world has a medicine been compounded porsessing the remarkable qualities of Virkeak Bri-ther to. They are a goathe Pargative as well as a Tonic, relieving Congestion or In-fammation of the Liver and Visceral Organs. Dr. J.
