Miss Marguerite Lees, 91 Robert St., Hamilton, Ont., writes: "I was a wreck, reduced in body, and despondent. I suffered tortures from nervousness, and was totally unfitted for work. A friend recommended Hood's Sarsaparilla. I commenced taking it and by the time the second bottle was consumed I knew that I was mending. Gradually I grew well. I have used Hood's since. I would not be without it on any account, and do most enthuslastically endorse every word in its fayor."
