Carnot Said to be the Most Correct Representative of the Peo-

where he was eating his lunch. nere me was carried and Carnot's death? Well, I think the hog should have been

well, neither would you see any if the butchered all in a heap. They ought to be given their quietus in droves of forty and fifty. Not that Carnot was any uninous mark to aim at. He was not but the big, overbearing pig scrawled his name to every document that steeped honest folks deeper and deeper into slavery. It was right, it was just, it was glorious to extinguish such a life." "The exar," he added. "Well, his time will come too. It cost about from four to six milions a year to hedge that hog's life around with safeguards, but, with all precautions, he finds every day some such pleasant souvenir as a death's head painted on his bed curtains, or a dagger stuck into his counterpane, or a miniature bomb lying under his head. He is the hog with the biggest grunt, and some day he will have to go like your Carnots and your ofther beasts. Herr Dowe's bull approof coat of mail will not avail him. He will be reached though he sit entrenched in a tower of steel a thousand feet in thickness. And as for your brood of reporters, I want to say, continued Herr Most, as he was leaving his meal, "you are not your own mas-I know you are slaves of big combines that send you hilther and thither

to do this and that. To-day you are sent to interview an anarchist, the next day a hog of a so-called shatesman, and the third day you report an execution or some other murder. But, mark you, though you are slaves I give you warning that if you do not treat us with greater fairness than you have been doing, slave or no slave, you will some day come into contact with the knife's edge. and in a way that will not please you. Most also spoke of the manner in which weapons and dynamite ought to be used to prove most effective. He has published a letter in the Freheit, which will be translated for the morning papers. It treats of the superiority of some wellbourgeoisie. He gives special prominence to the knife. When asked concerning the coincidence between his having advocat-

ment by the Italian who murdered Car-not, Most said: "You don't mean to say that you think my advice was so quickly Calus Zimmerman, editor of the Framing Torch, said Carnot richly deserved his fate. "He had been asked," said Zimmerman, "to pardon Vaillant, and he treated the committee like so many dogs. The committee wished to show that Vailguilty, but Carnot showed the committee to the door and the martyred Vaillant was executed. Carnot could have saved

ed the use of the knife and its employ

him with one stroke of his pen." Paris, June 26 .- President Carnot's body arrived from Lyons to-day and was lriven to the Palace of Elysee followed by the widow, sons and members of the lousehold. Thousands stood with unovered heads as the cortege passed. Premier Dupuy announces that he will not refuse to be a candidate for the presidency if the country demands his serv-It is stated that the government proposes to declare a state of siege at Lyons. The assassin, it is learned, did not have a paper in his hand when he pproached Carnot's carriage as previousstated, but a large bouquet. He drew the dagger from behind and moved with such dexterity that he struck the blow before he could be seized. M. Jules Simon and Emile Olivier, both agree that asimir-Perier should be elected presi-

dent. The cabinet has perfected arrangements for the funeral. Lyons, June 26.—An anti-Italian de monstration was kept up during the night and a number of Italian shops and dwellings were wrecked, and many Italians were assaulted and maltreated. This morning the Italian quarters were attacked by a mob who looted the shops and residences. The troops finally dispersed the mob. Three hundred rioters were arrested. The soldiers surrounded the Italian consulate and all is quiet now. Paris, June 24.-Telegrams of condolence are pouring in from all parts of the

world. Carnot's body will lie in state in the palace. St. Petersburg, June 26.—The Czar has telegraphed condolence to Mme. Carnot and the French government. Rome, June 26.—The flag on the royal alace and flags throughout Italy are

Berlin, June 25.—The Vossische Beiang, speaking of the assassination of President Carnot, says: "It is folly to charge Italy with the deed because the murderer is an Italian. If France pos-sessed to-day General Boulanger, or a man with General Boulanger's popularity, without his vacillation, Europe would

e a coup d'état and a dictator."

Hastings of Pennsylvania, ex-Senator Spooner of Wisconsin. INTERCOLONIAL CONFERENCE. | Hon. John W. Thurston of Omaha, and a score of other representative members of the Republican party. The doors of the theatre were opened at nine o'clock, three hard raps of his gavel President order and after prayer had been offered Secretary Andrew H. Humphrey stepped forward and read the call for the gathering. As a prelude he congratulated the delegates upon the fact that the league had inaugurated the coming political conpreservation of past achievements, and to ture in response to the public demand for Republican restoration, national prosper

The hallucinations of 1892 are over. "tariff-tinkering, bond issuing, debt-increasing, treasury-depleting, business-paralyzing, wage-reducing, queen-restoring, and un-American administration" now turn instinctively for relief to the party that saved the nation in her previous hour of peril and demonstrated masterly ability in giving the United States thir ty years of prosperity, unparalleled in the history of nations.

Again it becomes the mission and duty of the grand old party to meet a national emergency with the highest patriotism. The party deplores the necessity but rises to the occasion. The struggle for liberty, progress, fair wages and all that America promises, did not end with the defeat in 1892. The fight must and will

We believe that the humane, industrial and progressive American policy of the Republican party is best for the protection of "life, liberty and pursuit of happiness" for the 'American people.

We believe in honest elections as the bulwark of our institutions, and the right of every voter to cast one vote and have it fairly counted. We believe in the dignity of free labor and the faithful maintenance of the difference between American and European

We believe in the established policy of protection to American industry and to American workingmen, and in the Republican policy of reciprocity. We believe in the fullest protection of

all property and all forms of invested interests, and yet are opposed to corporation rule in the government of the United States, or of any state. We gratefully remember the Union sol-

dier in his hour of need, as well as in the day of his sacrifice and service. We believe in sound money, and the use of both gold and silver as standard money, and that the purchasing and debt paying power of the dollar, whether of gold, silver or paper, shall at all times be equal, as pledged in the national Republi-

can platform at Minneapolis. We believe in practical civil service reform, such as will separate the spoils idea from politics, and yet preserve the people in control of all public offices and all public affairs.

We believe in liberal and broad-minded olicies, and in the assertion of Ameriean ideas in all American affairs.

The various enigrammatic sentences of the call were loudly applauded by the delegates. After the reading Secretary Humphrey called the roll of states, and the delegates handed up their credentials, every state and territory in the Union being represented. After the appointment of the numerous committees President Canada to-day.
