OFFICE BEARERS OF CHRIST CHURCH

GRATIFYING REPORTS

Question of New Building Will Le Vack, F. C. Niven, G. E. Greene. Take Definite Shape in the Fall

At the vestry meeting of Christ Church cathedral Monday night the office bearers for the year were elected, and the various reports submitted and adopted. The question of a new building will in all probability take definite

showed the affairs of the church to be in a most satisfactory confident. The following address from the rect. Will confidence that the confidence ed to extend to me their patience for a residents.

The difficulties of The pu visiting a congregation so widely scat- Hellenic people who have, with cour-

that he will visit Victoria shortly and far greater business interest.

In the present building is very dear to many of you, already in ten months I have learned to love it, but it is not worthy of being the morthy of being the morth of the Anglican communion in this dio
The members of the James Bay of the sale were to grave to a large audience a very being the morther church of after business interest.

The present building is very dear to morth or the half holiday.

The members of the James Bay of the sale were to grave to a large audience a very being on Monday last. Fred Davey gave to a large audience a very help-ful and interesting address on the "Socouts, the Pipers' band, and the City bend.

The members of the James Bay indicate which while the third for several and the morth of the sale were long on most of the navigable and automobile parade withing the chief of satespeople in stores agreed to close their premises each Thursday at 1 o'clock. For a large learned to love it, but it is not where the condition of salespeople in stores agreed to close their premises each Thursday at 1 o'clock. For a large learned to love it, but it is not when the condition of salespeople in stores agreed to close their premises each Thursday at 1 o'clock. For a large learned to offer the sale were in grave danger of being entirely destroyed. This condition of salespeople in stores agreed to close their premises each Thursday at 1 o'

shall be worthy of God, worthy of our church, worthy too of Victoria, and the beautiful site which we possess. This will mean the expenditure of a Burglar Faces Term of Three very large sum of money, but the money is here in Victoria if only the people care enough to give it. I am glad that the "duplex envelope"

system is slowly winning its way. universally adopted it will solve all parochial and missionary difficulties so far as questions of finance are conbuild a new cathedral.

ing to send them to be taught that ed guilty to burglary, was on Wednes-fear of the Lord which is the beginning day sentenced to three years' imprison-
