FINAL DAY OF THE RACE MEET

EXCITING CONTESTS IN SEVERAL EVENTS

Winners of the Prizes on the Last Day of the Victoria Fair.

Saturday's racing at the exhibition proved most attractive, five out of six events being good ones. The exception was the first race, free-for-all trot, in which three of the starters were flagged. In the five furlongs dash, Lady E. was ridden close to record time by Kersten, doing the distance in 1:03, although carrying 124 pounds. Maxtrex added another success to the week's performance, by capturing the mile in rattling style after running second most of the way.

The first race, free-for-all trot or pace, was well-entered, but was won in three straight heats by Lady E. in a comparatively easy fashion. Tom Keene was fancied by a large element, but proved a decided disappointment, being distanced in each heat. Dan Dee fought each heat with Lady E. for the greater part of the way, but the mare was never short on the home stretch and pulled away from him. In the last heat, Dan Dee hung close behind Lady E. and the winner all the way round and sneaked into second place with Nelly B. third and Dan Dee fourth. Tom Keene was distanced each time although allowed to start in the second heat after being flagged in the first. Driver McMillan was substituted, but failed to make the horse run with the others.

Fancy Free won the second event, the pony race, from Topsy, after laying back for half a mile. Four of the entries were scratched and Beattie Trimble was left at the post. Topsy led from the start, but Fancy Free came up at the last turn and ran home an easy winner.

Fort Wayne, which has been the most disappointing horse at the meet, was left at the post for the fourth time, the Tourist selling purse. Four of the entries were scratched. The race was an excellent one. Callie went away at the start with Betsy close up and Mabel Hollander third. For over half a mile the horses hung together in this order and on the home stretch Betsy made the running too hot for Callie and won by half a length. Mabel Hollander was third.

The fourth race, one mile, was the race of the day. From a very good start Katie Bell led with Silver Wedding second and the other three goodly entry. Lady E. and Mabel Hollander, ridden in great style by Pendergast, made a great run and won by two lengths. Katie Bell was second and Silver Wedding third.

Legal Form won the fifth race, for the Tourist purse, by a head from May Holiday, after leading all the way. May Holiday came with a great rush on the home stretch and beat Hobson's Choice by a nose. Ethel Barrymore was left at the post.

A poor start was made in the last event, the consolation race for non-winners. Laura E. got off badly and was out of the running. Rosemary D. went ahead almost from the start and won by a length from Tejon, with Dangerous Girl third.

THE AUTO.

TWENTY-FOUR HOUR RACE.

New York, Sept. 28.—Speeding through a sea of mud and a down-pour of rain, the 15 horse power Fiat, driven by Cedric and Burke, finished first in the 24 hour automobile race at Morris park to-night at 10:21 o'clock, having covered 984 miles. The second was the Studebaker car, driven by Holme and Delmar, with 873 miles, and third, Italia car with 873 miles. The heavy rain compelled all of the drivers to slow down somewhat and the record made at the same track three weeks ago by a Renault, 1,079 miles, was not equalled.

The tragic death of L. W. Smelter, whose car ran into the fence shortly after 9 o'clock this morning, also had a deterrent effect on other drivers.

YACHTING.

REPLY DELAYED.

London, Sept. 28.—The officers of the Royal Irish Yacht Club have decided instead of sending a reply to the New York Yacht Club to-day, to call a meeting of the Irish club for October 2nd at which the answer of the American club to Sir Thomas Lipton's challenge for the America cup, and what further action, if any is necessary, will be fully considered.

Sir Thomas expects to be present and explain what he is anxious to do in order to bring about another series of races for the cup, namely, to build a ninety-footer under the new American rule.

The first race for the cup was the America vs. the Aurora, around the Isle of Wight, on August 22nd, 1881; time, 10 hours 37 minutes; winner, the America by eighteen minutes. Since 1881 there have been thirty-one contests held over the New York Club course, and, except when the English Livonia won, October 19th, 1871, against the Columbia, the victor has invariably been an American boat.

The longest time of any of these American races was in 1876 (7 hours 13 minutes) before the start of the present year. This will leave the remaining half of the season open for matches with surrounding clubs, for the games in the island and provincial championships, and, further, for a series of games between the island and Mainland teams.

The playing grounds of the three games which will open the season on Saturday next will be announced in a subsequent issue.

LACROSSE.

ROYAL CITY CHAMPIONS.

The New Westminster lacrosse team won the championship of British Columbia and qualified for the finals in the exhibition tournament by defeating the Maple Leafs by a score of 10 goals to 3, at the Royal City on Saturday.

The Royal City players were in good form, and the Vancouver boys' lack of a great disappointment to their admirers.

The game commenced in a sensational manner as Feeney secured the ball from the face off, and passed it to the nineteen rounds. Bryson, and he lodged it in the net in 16 seconds. This performance was repeated immediately afterwards, Alec Turnbull scoring in 17 seconds. The Maple Leafs then rallied and after some hard work Murray tallied with a nice shot. The Red Shirts had their game judged to a nicety, however, and Pat Feeney made a brilliant run and passed to Len Turnbull, who made the score read 3-1.

At the end of the first quarter the score was 5-1 in favor of the Red Shirts, Bryson having added two goals. Only one goal was made in the second quarter, T. Rennie having it to his credit. After three minutes' play in the third quarter, the Maple Leafs took a little better for Vancouver by steering the ball past Gray, but Bryson retaliated by scoring for the Red Shirts a fierce scrimmage in front of the goal.

When the last quarter began, the score was 7-3 in favor of New Westminster, but the Maple Leafs had some ginger into their work. They might have pulled the game out of the fire. Instead of bracing up they allowed the "clock work" home of the Red Shirts to continue to score. The 3-4 Ravey and rain shot after shot at him. He stopped most of them. Murray scored after some nice work, but this time the Maple Leafs had the edge. The Red Shirts increased their score by three goals, Bryson making two and Alec Turnbull one.

Lionel York and George Matheson acted as referees.

CROSSING THE RUBICON.

As before announced in the Times the Vancouver and New Westminster lacrosse teams have decided to play the Teumessahs and subsequent to their matches with the eastern team, must resign as secessionists in the C. A. U. most certain action of the C. A. U. will be the ostracising of the British Columbia teams from the association and at present speculation is rife as to what the possible outcome will be. It is mooted that the teams in Vancouver and New Westminster will form an association and will thus break away entirely from the parent body. In fact this would seem to be the only course open to them, in view of the action which the C. A. U. will take. If this course is adopted it will remain for Victoria to decide upon some definite plan. Either she must join with the Mainland teams and be represented in the new association, or else she must to all intents and purposes, as far as matches go, be regarded as a dead letter in the lacrosse of the province.

From information which has come to hand, however, it is anticipated that next year will see Victoria with a professional team which will play its part in the league which will be formed in the province. The formation of an association in British Columbia will mean a break with all the traditions of the past, and from an eastern standpoint will be regarded as a high handed action. In amelioration of this fact, however, it must be pointed out that British Columbia has not, at the best of times, been recognized as a member of the C. A. U.

It is this fact coupled with the ambition of the mainland teams to play in the league which has decided them to take action, and as it is likely that all the lacrosse players in the province will fall into line, British Columbia will

have an association of its own in the near future.

CRICKET.

CRIMEAN VETERANS PLAY.

Over two thousand people were present at Trent bridge, Nottingham, England, to witness a cricket match between the Indian Mutiny and Crimean Veterans of North and a team of ladies, the proceeds going towards a girls' orphanage. The veterans, whose collective ages amounted to over eight hundred years, showed their gallantry by sending the ladies in to bat after winning the toss.

The old-fashioned lob constituted their bowling. Private Corner, formerly of the 44th Foot, took eight wickets for 18 runs. The ladies were all dismissed for 106. The veterans lost by 23 runs.

TO PLAY FOR ENGLAND.

It is now definitely decided that G. Gunn will accompany the team that is being sent out to Australia from England chiefly in the interests of his health. Gunn has been subsidized by the M. C. C. as a playing member. Gunn's inclusion will greatly strengthen the team, which stands in need of a good steady batsman of his calibre.

RUGBY FOOTBALL.

VANCOUVER OPENS SEASON.

The opening match of the season played on Saturday on the College grounds, Fairview, Vancouver, between the V. A. C. and Wanderers, resulted in a draw, the teams scoring two tries each—six points. Play was fast throughout, both teams displaying good form.

Next Saturday the Wanderers will play the McGill University team on the college grounds.

WRESTLING.

CRADIAN WINS.

On Friday night at Sohmer Park, Montreal, before a large crowd, Eugene Tremblay, the Montreal wrestler, defeated Geo. Bothner in two out of three falls, Gracioso-Roman style. Bothner took the first fall in 2:45 minutes, and Tremblay the second and third in 2:34 minutes respectively. The lightweight championship of America went with the decision.
