There is smallpox in Pictou. Pain from indigestion, dyspepsia, and too hearty eating is relieved at once by taking one of Carter's Little Liver Pills immediately after dinner. Don't forget

The emigrant train of the Pensylvania R. R. which left Jersey City at 9.50 p. m., on Saturday night, stopped at the coal shute and at the side of Hackensack left at 8.15 o'clock, crashed into the caboose of the emigrant train, and threw the caboose and passenger car upon the east bound track. Lehigh Valley train, number three, leaving Newark at 8.10 o'clock, crashed into the wreck and one of the Lehigh Valley cars took fire. The wreck was the most frightful on the road for years.

There is no one article in the line medicines that give so large a return for the money as a good porous strengthen-ing plaster, such as Carter's Smart Weed and Belladonna Backache Plasters,

Ending. Such is the story of Tepping, the Market st. tailor, who was poor and is rich; who bought a fifth of a Louisiana State Lottery ticket coupon for one dollar and won a fortune last month. It is said that Tepping has forsaken the scenes that he formerly haunted; that the paths he trod now know him no more. Where is Tepping? Has he returned to the land where Prince Bis marck rules and where the American hog is unknown? It is hinted that Tepping has gone to visit his Fatherland and to there astonish the natives with graphic accounts

Baird's French Ointment is au excellent article for any kind of Humor, such as Salt Rheum, Pimples, Pustules, Rash, and a sure cure for the Itch. It quickly heals obstinate Sores and Ulcers, &c. Sold by dealers.

Near Fossil, a station on the Oregen Short Line, 895 miles from Portland, many curious fossils are found on a mountain 8,000 feet above the level of the sea. A crocodile, tweive feet in length and compleie in every detail from feet to eyes, was recently discovered, and has been sold to a St. Louis museum for the trifling sum of \$110. Many varieties of fish in a perfect state of preservation are taken from this great bed of fossils, and are sold as curi. osities to travelers at from seventy-five cents to \$3 each, according to their beauty es specimens. Even unscientific people who cannot be made to believe that the Rocky Mountains were once at the bottom of the sea, and for ages formed the western shore of the Pacific Ocean, will hardly thousand miles inland, climbed that SINGLE do it .- The West Shore.
