SPECIAL SERVICES LAST SUNDAY:—The interior of St. Andrew's Church was very beautifully draped in purple and black last Sunday. The pulpit, organ and choir gaily draped an impressive scene, while streamers of black were also attached to the gables, and an elegant portrait of the late Queen, with two "Union Jacks" were artistically draped in crepe, and were on the platform in full view of the congregation. Rev. Mr. Henderson referred at length to the Queen's death at both morning and evening services. He spoke of her as a daughter, a woman, a wife, a mother and a Queen. He also referred to her part in the rescue of a reference to the King, as coming to the throne with the wisdom of a matured man, the confidence of a saint and legal people, the illustrious example of

Victoria the Good, and the help of a Queen Consort, who was already enthroned on the hearts of loving subjects. The choir of St. Andrew's gave special music, choosing the anthem at morning service the "Home Land," and for the evening anthem "Pilgrims of the Night" was handsomely rendered.

all very favorable and evidenced a progressive and fruitful year. The session reported a Commission roll of 226, of whom twenty-one were added during the year. To the scheme of the church the congregation last year contributed \$500. The report of the trustees was presented by Mr. A. A. Anderson, Chairman of the Board, Mr. D. P. MacLachlan and Mr. George Stoughton. The total amount raised for congregational purposes was considerably over \$2000. The past year was reported to be the best in the history of St. Andrew's. The Sabbath School reported a membership of over 300 and about \$220 contributed for the work of the church. The infant class taught by Mrs. James McLean gave the highest contribution for the year.

The Ladies Aid seems to be a most vigorous agency, raising over \$300 by voluntary contributions last year. The Treasurer for Century Fund reported that the congregation had contributed \$5000 to that scheme of the church.

Altogether St. Andrew's had a most successful year. The following trustees were appointed for 1901: A. A. Anderson, John MacDonnell, D. P. MacLachlan, George Stoughton, Robert Murray, Alex. Robinson, Wm. Scott, Wm. Johnson, A. J. Legge, A. H. Marquis, H. W. Fleiger, G. J. Dickson.

It will be in order for a return match to be played sometime before the close of the season, for the victors won by a shot that the best of our men would make no more than one to the victors of Mr. Jarvis's men are fully entitled to satisfaction.

Stanley Morrison, A. D. Carter, R. H. Anderson, Skip, E. W. Jarvis, Skip. It was thought at first that manager Anderson's side was going to do all the business of the day, for they captured the first six ends and had a surplus and rest of ten points before Mr. Jarvis' side succeeded in scoring. In the seventh end however, they entered two on the right side of the ledger, but Nova Scotia added four to their accounts in the next two ends, so that at the end of the 9th end they had led to their credit against two for Montreal. In the next five ends, however, the Montrealers got themselves well together and rolled up their score steadily, so that at the close of the fourteenth end the count stood, 16 to 14. All through the play of the fifteenth and last end, putting Jarvis' last shot in jeopardy, when skip Anderson put his foot in the back to play the last shot Jarvis lay 14 guarded, all but about 3 inches, by a stone of Anderson's side, four feet in front, which was one of the enemy, leaving a space little wider than a beam. Montreal directed Anderson to raise the guard on the shot, but instead of doing so he came up with a hammer straight through the port, shoving the guard back, and then he stepped forward and going out himself, but leaving his former 2nd and 3rd in 1st and 2nd place and winning the match by a score of 16 to 14. Following is the score by ends:

Table with 3 columns: No. of S., No. of M., and Score. Rows 1-16 showing scores for each end.

It will be in order for a return match to be played sometime before the close of the season, for the victors won by a shot that the best of our men would make no more than one to the victors of Mr. Jarvis's men are fully entitled to satisfaction.

To Our Readers:—The ADVANCE will be obliged to its numerous readers if they will enable us to make reference in our local columns to matters and events in which they are interested, or may think their friends may be interested. They can do this by giving the information in person at the office or writing to us about it. Many things proper to be noticed in the ADVANCE columns do not appear there, simply because our attention is not called to them by those who would like to see reference to them in the paper, but have omitted to do their part in making them known. Come, therefore, or write and tell us your local news.
