LOCAL NEWS.

Percy Magee has been reported for furiously driving his horse on Brussels street.

The Welford Stars will make their first appearance on the diamond this season on Wednesday evening, when they clash with the A. O. H. team of Fairville at the Millford grounds. Their line up this year is—F. Ingles, catcher; B. Maloney and A. Quinn, pitchers; E. Baker, 1st base; J. Hayes, 2nd base; H. Lyman, 3rd base; J. Conly, short stop; W. Henson, left field; W. Lockhart, center field; M. Donovan, right field; James Leahy will manage the team for 1907.

For about ten minutes before noon today the head of King street and Charlotte street was almost continually blocked with teams and people and street cars. A brass band gave a concert and about every teamster who happened along stopped to hear the music. Had there been an alarm of fire the drivers would undoubtedly have been delayed in responding, owing to the crush. There is only one policeman on the beat and when he arrived on the scene the teams were ordered to move on, the concert was over and street was again cleared for traffic.

EXCURSIONISTS LEAVE FOR THE SHRINE OF ST. ANNE

About Fifty Went From St. John Today and Will Meet the Main Party at Moncton.

The pilgrims to the Shrine of St. Anne de Beausse left the city at eleven o'clock for Moncton where they will join the main body of those intending to visit the shrine, and proceed in a special train.

Father Maloney C. S. S. R. of St. Peter's church, was accompanied by a representative of His Lordship Bishop Casy.

There were about fifty persons from St. John in the party. Some of them are visiting the famous shrine in the hope of obtaining relief from temporal sufferings; others are visiting for spiritual blessings.

To the regular train there were two cars added, one day coach and a sleeper to accommodate the excursionists. At Moncton the I. C. R. authorities say there will be two trainloads of people, and the specials will leave the railway town during the afternoon.

WOULD MAKE O'REGAN PAY FOR CALLING HIM A THIEF

Suit for Damages Over Alleged Libel Contained in a Letter—John J. Moran the Plaintiff.

In the circuit court this morning the case of John J. Moran vs. John O'Regan, was taken up before His Honor Judge McLean. This is an action for alleged libel contained in a letter dictated by the defendant to his stenographer and directed to the plaintiff. D. Mullin, K. C., appeared for the plaintiff and M. G. Todd, K. C. and C. H. Ferguson represented the defendant.

The following jury was sworn in: Wm. Mullin, John P. Williams, Wm. Magee, James Emery, M. L. Gibbon, James Mills and Wm. H. Bustin.

The evidence of Miss Winifred F. Dalton was taken by commission in Boston. Mr. Mullin read this evidence. In it Miss Dalton said that she had been employed with John O'Regan as stenographer. She remembered writing a letter to J. Moran. The letter was dictated to her. She was Mr. O'Regan's confidential clerk.

The witness said that Mr. Moran left the employ of Mr. O'Regan about two weeks before the letter was sent. Mr. Mullin read a copy of the letter sent to Moran from O'Regan, in which it stated that he (Moran) was a thief. Mr. O'Regan in the letter cautioned Moran to return the \$15. The witness stated that she expected Moran to work on Dominion Day, 1905.

John Moran the plaintiff, was sworn. He said that he was born in Ireland and that he came to this country in 1904. He had references from a Sisters of Charity Home in Ireland and these were furnished in court.

Mr. Moran was on the stand when the court adjourned at one o'clock. This case arises from somewhat peculiar circumstances. Moran was employed by Mr. O'Regan previous to Dominion Day, 1905, he received his pay. He did not go back to work on Saturday, and Mr. O'Regan claimed that Moran owed him \$15 which was one day's pay. In a letter to Moran Mr. O'Regan called him a thief and Moran entered an action for libel, the amount to be assessed by the jury.

NEW STEAMER FOR THE WEST INDIAN SERVICE

The steamer Soho which has been chartered by the Pickford & Black Company, arrived in port this morning from Liverpool and is anchored in the harbor. The steamer left Liverpool on June 29th, and Captain Williams, her commander, reports thick weather nearly all the voyage.

The Soho was built about seven years ago for the West African trade, and has now been chartered for the P. & B. line to go on the St. John-Halifax and West Indies route.

The Soho is splendidly adapted for the West Indies trade. She is roomy, has large airy staterooms and a magnificent saloon, and is fitted in an up-to-date manner. She will dock at the Pettigill Wharf this afternoon.

PRESBYTERY IN REGULAR SESSION

A Number of Reports Received Today

Much Business Put Through—Representatives to Assembly Tell of the Session.

The regular quarterly meeting of the St. John Presbytery was held in St. Andrew's church this morning. Those present were: Rev. Frank Baird, M. A., moderator; Rev. A. A. Graham, W. Macdonald, G. G. Dickie, D. Macdonald, M. S. Mackay, E. E. Mowat, Jas. Ross, J. A. Maclean, H. R. Reid, Hunter Boyd, Elders F. Campbell and D. Maclean.

Elders' commissions were presented in favor of Jas. Scott, Carleton, D. Maclean, St. John's church, St. John; G. T. Blewett, St. Matthew's; W. R. Logan, Fredericton; William Mitchell, Wainwright; P. G. MacFarlane, St. Stephen, and the clerk was empowered to receive other names for the synod roll.

Reports were received from commissioners to the recent General Assembly, and unanimous testimony was borne as to its progressive and practical character. Rev. Jas. Ross described the steps taken in appointment of a special agent to take charge of moral reform in the person of Rev. Jas. Shearer, Rev. D. Macdonald drew attention to the large lay element, and the active part taken by the elders. Rev. Hunter Boyd alluded to the probable formation of a new theological college in British Columbia and the erection of new Presbyteries in the west. Mr. P. Campbell also gave his impressions of the business transacted.

The clerk presented a report on recent legislation in New Brunswick. A motion was passed to thank the committee and the Legislature for their interest in placing this act on the statute book and congregations were advised to come under the terms of the bill and the appointment of students left over to the H. M. Committee.

Rev. James Ross presented the Home Mission report and Mr. C. G. Tower was appointed as ordained minister to Lorneville. Arrangements were made for licensure and ordination. The services were fixed for Tuesday, July 9th, at 3 p. m. Rev. A. A. Graham, moderator, was appointed to preside. Rev. A. H. Foster addressed the minutes and Rev. H. R. Reid the congregation. It was agreed to make an additional grant of fifty dollars from the Wylie fund towards reducing the debt on the recently erected church at Tower Hill.

A further recommendation was made that a grant of one hundred dollars be made from the same fund for St. Matthew's church, St. John, and great satisfaction was expressed at the progress made by this congregation under the pastorate of Rev. A. H. Foster.

The hospital report, by the Chaplain, Rev. L. A. McLean, showed the number of visits made to patients, funerals attended and other offices performed. The communication was received from the secretary of St. John Presbyterial to the effect "that the money which shall be contributed to the student fund by this Presbytery, be constituted a bursary fund for such students as shall be recommended by the Presbytery of St. John; that the money be held by the treasurer of the W. P. M. S. in eastern Canada, to be lent by him from time to time to such students as the said Presbytery shall direct, and that any auxiliary which shall during any year contribute to fund the sum of one hundred dollars or over shall have the privilege of designating the student to whose use the said one hundred dollars or over shall be applied." The resolution was received, the ladies cordially thanked, and the appointment of students left over to the H. M. Committee.

Rev. A. H. Foster presented a report of visits to congregations. The committee have visited 27 congregations, and in all have held 40 seditants. The result has been gratifying in stimulating greater liberality, securing more systematic giving, and the promotion of the spiritual interests of the congregations.

Rev. Jas. Ross presented the report of the committee to strike standing committees for the year. The only notable change is the substitution of the name of Rev. L. Gibson for that of Rev. F. Baird, as convener of the Young People's Committee. Rev. F. Baird was thanked for his activities in this department during the past five years.

Arrangements were proposed for a public meeting in St. John to be addressed by Rev. Foote who is shortly returning to Korea. The Presbytery adjourned to meet at Lorneville on the 9th July, at 3 p. m.

WILLIAM GOLDING LET GO BY MAGISTRATE RITCHIE

He Has Gone to Grand Manan—His Mother Taken to the Home for Incurables.

Wm. Golding under indictment for robbing Mrs. J. H. Woods on the night of Good Friday at the corner of Sydney and Leinster streets, and who was arrested the other day by Deputy-Chief Jenkins and Officer Marshall for brawling in his father's house on Brussels street, was taken before Magistrate Ritchie yesterday and released as he said that he was going down to Grand Manan to work. He promised that he would be back in time for the next sitting of the court when his case will again come up. Mrs. Golding, the invalid mother of Wm. Golding, who was sick in the house when her son raised the disturbance and knocked the stove across her bed, was taken yesterday morning about eleven to the Home for Incurables in the public ambulance. The friends of Mrs. Golding have been trying to get her in this institution for some time.

WARNS POLICE TO KEEP THEIR MOUTHS SHUT

Magistrate Wants No More Talk About How the Court Should be Run—He Threatens Trouble.

In the course of his remarks in the police court this morning Magistrate Ritchie said that he had fined some of the prisoners four dollars and other eight dollars and "I don't want to hear the police sit in judgment on what I do. I do my duty and I want them to do theirs. The first remark that I hear about sitting in judgment in this court I will place the matter before the proper authorities and let them investigate the case. It would be best for the police to start the fiscal year by shutting their mouths and remembering to do their duty."

Policeman Hughes stepped to the magistrate's bench and said he would explain but the magistrate waved him to one side telling him to sit down. Hughes replied, "You won't give me a chance."
