Word was received in Boston Thurs-

H. H. Freeman, of Boston, had been
sunk on the coast of Cape Cod, near
Falmouth, N. S. The bark was under
charter to load a full cargo of molasses
at different ports at Porto Rico, for
Boston. She had about 1,000 barrels
of molasses at San Juan, and in
charge of a pilot she was bound
around to Manabou, to complete load-
ing, when she crashed upon the treacher-
ous reef. There is no hope of saving
her. The crew escaped in the vessel's
boat.

Holmes and Buchanan at Nickel
The return of Gertrude Bennett
Holmes and Robert C. Buchanan to
the Nickel Theatre will be welcomed
by music lovers, for no duet of vocal-
ists has been heard in this large picture
theatre since its opening over two years ago
pleased the people as much as did
H. & B. Indeed since it has been an-
nounced that they were to return today
the Nickel people have been the recipients
of numerous kindly words and a
few written commendations. Both
Miss Holmes and Mr. Buchanan are
favorably known for their singing ability
and their versatility adds to the
charm of their work. They make their
first appearance this afternoon at 3.15
then again at 4.15 and three times at
night. The number with which they
will open is the now famous 10,000
competitive song success "I Wish I
Had a Girl," which is irresistibly
popular and extremely witty. The stage
is to be prettily set. Miss Holmes
has some costumes surprises. The
Nickel's programme is good from
start to finish. Miss Evans is to sing
that rollicking western song "Ride
of the Prairie," the orchestra is to
give something specially good and the
picture play includes "In the Bad
Lands," a western military story;
three comedies, etc. The return of
Holmes and Buchanan will undoubtedly
cause a rush for seats, which fact
should admonish intending patrons to
attend the matinee or be early at
night.

THE STANDARD'S BASEBALL GALLERY FOR SEASON 1909

ROTH
CINCINNATI'S
CATCHER.

When Griffith took charge of the
Cincinnati club this year he was hand-
icapped a little by the fact that his
catching staff was uncertain. "Big
Larry" McLean is all right, when he
is all right, but sometimes he gets a
bit out of condition, and in any event
it is asking too much of a ball player
to catch in every game, so "Griff"
looked around to see if he couldn't
pick up some youngster who would
suit him.
He found that a trade could be ar-
ranged whereby he would be able to
get Roth who had broken into the
major leagues once or twice, only to be
sent back to the minors, and he lost
no time in putting the deal through.
Roth has had little chance to get
in the game this year, but if the op-
portunity does offer, the manager of
the "Reds" is satisfied that he will
make a good showing for the team.
He is not the most accurate thrower
in the world, but he is quick, and he
saves many a wild pitch back of the
plate.

PROSPECTS POINT TO BEST SEASON ON MARITIME CIRCUIT

(Fredericton Gleaner, June 12.)
That prospects point to the best
season's racing ever seen on the
Maritime Circuit just fits the way the
close followers of the racing game
size up the outlook for the approach-
ing campaign.

Largely through the work of the
Fredericton Park Association's offi-
cers, the July section of the Maritime
Circuit has been arranged and from
present appearances it looks as if
from 55 to 60 would be the number
of horses to be raced at each meet-
ing through the circuit. As many as
twenty more horses will be carried
along through the circuit by the vari-
ous stables and not started in the
early races, being held over until fall.

The "curtain raiser" meeting here
on June 30th, July 1st and 2nd, will
furnish the first opportunity for the
talent to get a line on what this great
bunch of campaigners can show, and
with the usual vein of uncertainty al-
ways prevalent, the man who picks a
winner will have to be a good guess-
er, to say the least.

It had been expected that the erec-
tion of probably fifteen or twenty new
stalls might be necessary, but a
meeting of the directors of the Freder-
icton Park Association was held at the
Barker House on Friday evening, June
11th. Postmaster Edwards, D. Mc-
Cathern and Ald. Jewett were ap-
pointed a committee to make the nec-
essary arrangements for using some
of the exhibition stalls with an en-
trance through for the horses near
the race track grand stand, which will
relieve the track of having to put up
new stalls until the fall meeting at
least.

Present accommodations will not be
sufficient to accommodate the line of
horses which will be here, but with
arrangements made for the use of
some of the exhibition stalls there
should be the best of accommoda-
tion for the horses.

Entries Close Next Tuesday.
On Tuesday next nominators in the
stakes at the curtain raiser meeting
here on June 30th, July 1st and July
2nd, will make their third and last
payment, and name their horses, and
on the same day entries in the 2.15,
2.17 and 2.19 classes will close. The
directors of the Fredericton Park As-
sociation will meet again about June
15th and on that date definite an-
nouncement can be made of the
horses which will be here for the Du-
mation Day meeting.

Statements which are now made
are estimates, and allow larger fields
of the slow stakes than for the fast
classes.

Pitcher Bill Burns may jump the
White Sox and go to the California
outlaws. He has had a little dispute
with Secretary Fredericks over
a board bill in Washington and threat-
ened at the time to go to the coast.

"Jim" McGuire, who is acting as as-
sistant manager of the Naps, is an-
other of the Cleveland tribe who will
be given the hand when he goes out
on the coaching lines. Jim has work-
ed with LaJolle, and with a fair
amount of god luck the pair will no
doubt make it hot for the league
leaders before very long.

C. P. R. Does the Right Thing.
A report was made last evening by
Postmaster Edwards and the secre-
tary, who were the committee to meet
Mr. W. B. Howard, district passenger
agent of the C. P. R. regarding spe-
cial excursion rates for the "curtain
raiser" racing. The reply received
from Mr. Howard is highly satisfac-
tory, and shows that the C. P. R.
will do their part towards helping the
Maritime Circuit prosper. Announce-
ment of details of the arrangements
will be made next week, when the I.
C. R. announcement will probably be
ready also.

BUYS A FAST ONE.
Proprietor Monahan, of the Barker
House, said to have purchased
Pacer for Maritime Circuit.

It is understood that Mr. T. V. Mona-
han, the popular proprietor of the
Barker House, and one of the direc-
tors of the Fredericton Park Associa-
tion, has purchased a pacer that will
be campaigned through the Maritime
Circuit this season and the horse is
said to be either Major Wilkes
(2:13.4) or Royal Heir, a green
pacer bred along the same lines as
Minor Heir and recently offered for
sale by A. H. Merrill of Danvers,
Mass.

HOOF PRINTS.
Guess it looks pretty fair from the
road.

With from 55 to 60 horses starting
in the seven races here the sport
should be of the best.

for the races here on June 30th, July
1st and 2nd, and don't intend to start
may be able to sell their entries by
corresponding with the secretary.

KETCHEL'S CHANCES WITH JOHNSON

Jack O'Brien was never seriously
considered for the heavyweight title,
but he has been the means of giving
a line of dope regarding the much-
talked-about chances of Johnson and
his opponent in the coming heavy-
weight championship. O'Brien has
met Johnson and Ketchel in six-round
bouts, fought Johnson a draw and
Ketchel succeeded in knocking the
"wily" Quaker out in less than three
rounds. Ketchel heretofore has only
been lightly considered for heavy-
weight honors, but the cowboy cham-
pionship's decisive win over O'Brien
proves that perhaps after all it will
be unnecessary to bring Jeff back
into the game, for surely Ketchel has
proven himself to be able to cope with
the colored champion.

Want Jeffries as Referee.

New York, June 11.—Stanley Ket-
chel could like to have Jim Jeffries
as referee for his coming fight with
Jack Johnson for the world's cham-
pionship next October at Colma, Cal-
ifornia. The Michigan fighter has
reached here early to-day from Phila-
delphia with his manager, Willis
Britt. Speaking of the statement of
Jeffries that he would take on Ket-
chel for the championship should he
defeat Johnson, Britt said: "I don't
believe Jeffries would want to fight
Ketchel. Jeffries' sole idea in re-
turning to the ring was to defend the
title from Johnson, who claims it. I
should like nothing better than to
have Jeffries referee the Ketchel-
Johnson fight, and will accept him in
a hurry if Johnson makes no objec-
tions."

TWO AMATEUR RECORDS GO BY THE BOARD

Boston, June 12.—Two New England
amateur records were broken today at
the annual championship meeting of
the New England A. A. U. held at
Technology field. H. P. Gardner, Jr.,
of Harvard, covered the barriers in
the 220 yards low hurdles event in
24.35 seconds, bettering the mark of
25.15 seconds, made last year by John
Mayhew of Brown. B. A. Sherman,
formerly of Harvard threw the 16-
pound hammer 147 feet, 5 1/2 inches,
displacing his distance of 142 feet

Harris opened the ball, or would have
done so if he could have biffed it. The
melancholy truth is that he struck
out. His team-mates scored four
times, however, before they gave A.
O. H. a chance to bat.

Harris travelled to first in cheap
style and jumped to second on a wild
pitch. He was advanced to third
when Simpson, having been re-
turned by Long's throw to first, and
Fleming was anchored some distance
from the preliminary sack when he re-
ceived the throw, and scored the first
run. He reached first on a pass, and
in the meantime harpooned second,
unassisted, and he reached third on
Britt's offering. Britt got to second on
a safe slam, and Burke duplicated
his trick on his own part and staked
Britt to a passage home. Downing's
nihilism of Donnelly's grounder placed
that batter on first and Burke on
third. Burke brought in the fourth run
