Secret of Good Pies

PIE CRUST, more than any other delicacy of the oven, ought to be tempting and appealing to the taste. You do not eat pie as a nerve tonic or to strengthen your appetite. You eat it for *pleasure* mostly.

results every time—more healthful, digestible and nourishing than if made from ordinary flour.

And the reason is that ROYAL HOUSEHOLD having a larger percentage of high quality gluten, assimilates more readily and is more satisfying than ordinary flour, and comes out of the oven flakier, more tender and more digestible.
