Mr. A. B. Hinton, Western Ave.,

ago my wife had suffered for nearly  
three years from rheumatism, suffer-  
ing greatly. She had been under the  
care of several doctors, besides spend-  
ing dollars on advertised cures, but  
did not get any relief. One day talk-  
ing to a fellow clerk, she said her  
sister had been cured of this trouble  
by Dr. Williams' Pink Pills. Although  
not feeling very hopeful, I took two  
boxes home that evening and urged  
my wife to try them. By the time  
they were used they had done her so  
much good that she required no pre-  
scription to continue the treatment, and  
after taking six or seven boxes she  
was completely cured. As I have  
said this was about a year ago, and  
she has had no return of the trouble  
since. I feel very grateful for the

The news that Lieut. H. Arthur Seely had again arrived safely on Canadian soil was received with much pleasure by his many friends in this vicinity. He arrived in Halifax on Sunday on the S. S. Adriatic, but before visiting his home was under the necessity of accompanying his battalion to Montreal.

Lieut. Seely is a son of Mr. and Mrs. Egerton Seely of Lower Norton, and has seen active service in France. He enlisted in 1914 with the 8th Battalion at Winnipeg and was wounded and gassed during the early part of the war. After spending nine months in English hospitals after which he was granted a leave of absence to visit his home. During his stay in Canada he did much strenuous work in the recruiting campaign, both in N. B. and in Western Canada. On return-

ing overseas he was transferred to the 42nd Montreal Highlanders and with them went through the second battle of Mons in which action he was wounded. He has since been receiving treatment in English hospitals.

Three other brothers are still in France. Leon who enlisted with the 26th, Ronald with the 116th; and Carl with the No. 9 Siege Battery.

TEETHING TROUBLES

Baby's teething time is a time of worry for most mothers. Baby's little gums become swollen and tender; his bowels get out of order and constipation, colic or even diarrhoea sets in. To make the teething period easy Baby's Own Tablets should be given the little one. They sweeten the stomach; regulate the bowels and keep baby good natured. Concerning them Mrs. Marcel D. LeBlanc, Memramcook, West N. B., writes, "I have used Baby's Own Tablets for the past six years and have found them indispensable. To my mind nothing can equal them in allaying the fever accompanying teething. I would not be without them and can strongly recommend them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Proof of it. "Do you think a burned child at ways fears the fire?" "Not at all. If so, why should so many divorce decrees prohibit the contestants from remarrying?"

Without Music You Cannot  
Live a Full Life

Music is now recognized as a necessity in the home. Music feeds the soul, as food feeds the body and literature feeds the brain. Next to religion, it is humanity's greatest comforter.

The New Edison opens the doors to the world of music. It brings the supreme art of the greatest singers, instrumentalists and musical organizations to you with such unerring fidelity that the artists themselves could give you no more.

The NEW EDISON

"The Phonograph with a Soul"

does not merely imitate; it actually RE-CREATES.

Before audiences totalling more than two millions, thirty great artists have conducted tone tests which proved that no shade of difference could be detected between the artist and the instrument.

They have sung in direct comparison with the New Edison, then suddenly ceased, permitting the instrument to continue alone. The only way the listeners could tell when the artist stopped was by watching his lips. And with the lights lowered they were unable to say when it was the living voice they heard and when the New Edison.

Could a more convincing test than this be devised? Doesn't it prove the truth of our assertion that ownership of this instrument is equivalent to having all the great artists of the world literally at one's command?

Come in and hear the New Edison here, or allow us to send one to your home, where you can hear it at your leisure.
