

The New Year.  
God gives new strength for each new year.  
Rise in His strength today.  
There are loads to lift, and hearts to cheer.  
And friendly words to say,  
And God gives to you this work to do.  
As you pass along your way.

To think the best of all you meet,  
And to do the best you can,  
Is to smooth rough roads for weary feet.  
And to carry out God's plan,  
For your measure of love to God above  
Is shown by your love to man.
