MR. BLAKE'S SPEECH.

wisconsin, last season, and is still caus making themselves ridiculous. No man, making ratious ridiculous ridi prejudice or passion. It is far above the inhabitants all night-firing into windows level of political speeches, being a calm and statesmanlike presentation of the issue before the people of Canada the control of the issue before the people of Canada the control of the contro at the momentous period in our country's history. For the period is a mementous one. Upon the manner in which the great principles discussed by Mr. Blake shall be solved, far more depends than the existence of this or that particular necessity. The integrity the manner of the matter than the matter there ended. Mr. Dickey is now endeavoring to have that particular necessity. The integrity the matter than the matter there ended. that particular necessity. The integrity the present Congress to take some act of the Union, its development of its in the case.

know that the Halifax Chamber of Commerce continues to discuss the Short Line is described by the contract has been signed. Notwithstanding the statement in the Canadian Gazette, we have very good reason to believe that the contract has not yet been signed, and will not be until Parliament meets, when the whole subject will be opened up again. In the meantime, we hope our friends of the Central Railway com our friends of the Central Railway com of the contract Railway com our friends of the Central Railway com our frien pany will see their way clear to go on with their railway, which will, so far as this section of the country is concerned, serve many of the purposes of the Throat, and all inflammatory troubles.

Deafyrss.—The proprietors of Hagyard's Yellow Oil have boung he certificates of some many and the purposes of the Throat, and all inflammatory troubles.
