

The Services at the Mission Hall, Moneton, are well attended and well repay the efforts of the Clergy.

We hear that Rev. D. B. Parnter is able to officiate again at S. Jude's, Carleton, after a protracted illness.

We have received a letter from our old friend Rev. E. P. Flewelling, now working at Brandon, Manitoba. He says, "In this far away Diocese it will be refreshing to see the familiar face of K. D. M., so please put my name on your list of subscribers."

Mr. Flewelling seems to like his work at Brandon, though he retains a loving remembrance of his past work in Restigouche County, where he received so many tokens of kindness from the people.

The Church people of Brandon received him most warmly, presented him with an address on his arrival, and gave him \$100 to help him to settle among them.

The letter ends thus, "Long may the K. D. M. live and be a power for good"!!

#### FAIRVILLE ITEMS.

We are sorry to have to record that the Rev. J. C. Titcombe, when taking a few days rest among friends, after the arduous work of opening the New Church at Fairville and starting the work there, was suddenly taken seriously ill with bronchitis and congestion of the lungs, and for a time it was feared he would not pull through, but with excellent attention and care bestowed upon him by many kind friends, he was, we are glad to record, able once more to return to his field of labour. Although far from recovered, yet it is hoped that he is making progress. It was very gratifying to him, and, to use his own words, "as good as all the physic in the world," to meet with such a hearty reception from his dear parishioners, between 50 and 60 of whom crowded the station house and platform to extend to him a welcome and sympathy on his return. He wishes to return his heartfelt gratitude to all his kind friends for this reception, for the many kindnesses received from them since his return, and for the prayers which they offered for his recovery; and he hopes they will return thanks to the Almighty for permitting him to be once more in their midst. On the Sunday following there was a celebration of the Holy Communion and 38 partook of the Holy Feast.

The best thanks of the Parish are due to the Revs. R. Mathers, LeB. W. Fowler and others, who so kindly carried on the Services during the Pastor's illness.

It is hoped (D. V.) to have special Lenten Services in this Parish, with special Preachers, on Thursday Evenings. At the first Service the Rev. Canon Medley will be the Preacher.

On Good Friday there will be a Service of the "Three Hours" from 12 to 3, with other Services; and on Easter Day there will be two celebrations of the Holy Communion—the first at 8 o'clock and the second after Morning Service.

The Rector will be glad to receive the names of any candidates for Confirmation, as he hopes (D. V.) to arrange for classes during the season of Lent, his illness having prevented him from having them before.

Having adopted the Kingston Deanery Magazine as the Magazine for this Parish and the channel through which to make known to the Parishioners all items of interest connected with the Church and Parish, it is hoped that it will meet with a liberal patronage, and that not only will the 50 copies per month which the Rector has taken be all subscribed for, but 50 more besides. Independently of Parochial items there are many other things of interest and entertaining reading to be found in this Magazine which should commend it to you.

*Thanks.*—Our best thanks are due to the friend of so many Missions, Mrs. Medley, for a kind gift of Altar Linen just received. We still require many things for our New Church and shall be grateful for the smallest contributions towards finishing it.

It is hoped shortly to have a Tea and Entertainment in order to raise funds for that object, to be followed later on by a Fancy Sale.

#### Parochial Items.

CAMBRIDGE:—Our Basket Social was a great success. Besides spending a pleasant evening, and meeting many old and new friends, we realized \$31.30, which has been deposited in the Savings Bank.

We have just heard that S. P. C. K. has given us a grant of £25 sterling in response to our appeal. This has cheered us greatly and calls forth more earnest efforts on our own part.

The Parson was given a donation on February 1st at Peter Knight's, Esq., Mill Cove. The roads were so bad that only a few of the Parishioners and friends could come. A most enjoyable evening was spent notwithstanding, and the Parson and his horses were made happy by the gifts of the well-wishers.

An exchange of work was made with Rev. C. P. Hanington on Sunday the 7th February, and the people of Cambridge and Waterborough are loud in his praises, and hope to see and hear him soon again. We are neighbours, and an exchange of duties is a rest to the Clergy and does much good to the Parishes.
